2024 Bulk Computer Order

Receive HUGE savings on select
Dell Desktops, Laptops, All-in-Ones, and Monitors

- Business Class computers are built with higher quality components are expected to last five years or more.
- Five-year labor and parts warranty included on Dell computers and monitors.

Order Deadline:
April 12th COB

UAA's Field Services Technicians will provide on-site support for all of your computer needs. As an Authorized Tier 2 Dell Repair Facility, there will be no charge for warranty parts or labor. Most warranty parts are received within 48-hours which will minimize downtime.

Bulk Buy Program Details:

- Open to UAA departments and other UA units located in the Anchorage Area.
  For business use only, no personal orders.
- Equipment will be ordered via Req/PO and encumbered/billed directly to the department's fund/org.
- $100 desktop imaging charge per computer for classrooms and open lab computers. No labor charge for individual standard computer imaging.
- Fund/orgs must be provided at time of order.
- Individual placing order is responsible for verifying their department fiscal technician's approval.
- Fund/orgs will be checked for available budget. If the account is NSF, an NSF override will automatically be processed by the UAA Budget Office.
- For FY24, restricted funds can be used. To do so, a signed IT Prior Authorization form must be submitted to IT prior to the order period deadline. This form will be available on the Bulk Computer Order website during the order period.
- Equipment expected to be delivered to departments in May/June.
- No model substitutions available.
- *Note:* Depending on the age of existing equipment, additional cables may be required.
