Re: Complete College America

On April 6th, 2012 the Faculty Senate approved the following motion on Complete College America:

Faculty Senate recommends that Alaska not take part in Complete College America. Joining Complete College America will add to our overhead and reporting requirements and we have better uses for these resources.

If I may be of further assistance, please let me know.

President Council and President's cabinet (including all Chancellors approved UA attending a conference to learn more detail on the nature of Complete College America before taking a decision on UA participation. I believe we should postpone a UAA decision until we have had an opportunity to review and consider what is learned from this conference.
