RE: College of Health Dean Search

This note is to invite you to a group conversation with Dr. R. Thomas Fitch from Academic Search who is helping UAA to find and retain a new Dean for the College of Health. The meeting is scheduled for Friday, January 27th at 8:15 am – 9:00 am in the Professional Studies Building, Room 216.

This is an excellent opportunity for you to share your thoughts about the needs and priorities of the College of Health and the leadership characteristics and talents you would like to see in a new dean. Your views are vital to building a prospectus to guide the search and to secure the successful appointment of a candidate who will serve UAA, the state, and our communities well.
