The Bachelor of Science in Dietetics program provides the first step in meeting the eligibility requirements to take the national Registered Dietitian (RD) exam. The program is available to individuals statewide, with students able to take prerequisite coursework at any UA campus and dietetics coursework online. Graduates are eligible for entry into a Commission on Accreditation for Dietetics Education (CADE) accredited dietetic internship.

**Educational Pathway Options**

**High School**
- Reading and writing skills
- Algebra
- Chemistry
- Biology
- Basic computer skills

**Bachelor of Science (BS)**
- 4-5 Years
- **Dietetics**

**Graduate Degrees**
- 2-3 Years
- Master of Public Health (MPH)
- Career & Technical Education (MS)
- Business Administration (MBA)
- Public Administration (MPA)

**Career Opportunities**
- Registered Dietitian (RD)
- Career options include:
  - Inpatient dietitian
  - Outpatient dietitian
  - Clinical nutrition manager
  - Foodservice manager
  - Consulting dietitian (private practice)
  - Community nutritionist/public health
  - Researcher

**CAREER CLUSTERS**
- Health Sciences
- Science, Mathematics, Engineering, & Research

UAA COMMUNITY & TECHNICAL COLLEGE
APPLICATION PROCESS

OFFICE OF ADMISSIONS
1. Apply for admission at www.uaa.alaska.edu/admissions.
2. Review admission requirements for your student type.
3. Submit required documents to UAA Office of Admissions.
4. Take the SAT, ACT, or Accuplacer test for English and math course placement. Call the UAA Advising & Testing Center at 907.786.4500 for testing information.
5. Make an appointment for academic advising at 907.786.1487 and meet regularly with an advisor.
6. To stay on track, access the Future Students Checklist online at www.uaa.alaska.edu/futurestudents/checklist.cfm.

PROGRAM SPECIFIC
1. Admission to the program is competitive. Completing the admission requirements does not guarantee admission to the program.
2. Students may declare the pre-dietetics major while completing program prerequisites.
3. The deadline for applying to the program is February 15 of each year.
4. For application materials and important information, visit www.uaa.alaska.edu/culinary/academics/dietetics.cfm.
5. Applicants must attend a group information and advising session, available by teleconference, before applying to the program. Call 907.786.1276 for information.

The University of Alaska Anchorage has been continuously accredited by the Northwest Commission on Colleges and Universities since 1974. This brochure is for information purposes only and does not constitute a contract. UAA is an EO/AA employer and educational institution.

DIETETICS (BS)

The suggested course sequence listed below is subject to change. Consultation with a Dietetics academic advisor is mandatory.

GENERAL UNIVERSITY REQUIREMENTS
Complete the General University Requirements for Bachelor of Science degree programs.

YEAR ONE
Fall Semester (14 credits)
- CHEM 105/L General Chemistry I w/Lab (4)
- DN 151 Nutrition Through the Life Cycle (3)
- ENGL 111 Methods of Written Communication (3)
- MATH 107 College Algebra (4)

Spring Semester (14 credits)
- BIOL 106/L General Chemistry II w/Lab (4) Choose Oral communication (COMM) GER (3)
- PSY 111 General Psychology (3) or
- SOC 101 Introduction to Sociology (3)

Summer Semester (3 credits) Choose Elective course (3)

YEAR TWO
Fall Semester (14 credits)
- BIOL 111 Human Anatomy & Physiology I (4) Choose Humanities GER (language recommended) (3)
- DN 155 Survey of Alaska Native Nutrition (3)
- DN 203 Nutrition for Health Sciences (3)
- DN 100 The Profession of Dietetics (1)

Spring Semester (14 credits)
- BIOL 112 Human Anatomy & Physiology II (4) Choose Humanities GER (language recommended) (3)
- ENGL 212 Technical Writing (3)
