

Distance Class Listing Spring 2012

For the updated class schedule,
course descriptions, information on fees,
and to register for classes, go to
UOnline.alaska.edu

Distance Class Listing

UAA offers distance classes with delivery methods including Blackboard, eLive and audio conferencing. To register for distance classes, go to uaonline.alaska.edu. For additional information on a specific class, please contact the department or campus offering the class.

For general information on Anchorage Distance Education-supported classes, go to the Distance Education Services website at www.alaska.edu/distanceeducation.

A \$38 distance fee applies to Anchorage classes supported through Distance Education Services. Other fees may apply; check the specific class listing on uaonline.alaska.edu for more information. Anchorage distance classes that are not supported through Distance Education Services are designated with a "D" in the section number. For information on these classes, contact the respective department or college. Other classes, including classes not supported through Distance Education and distance classes offered through other campuses, may charge different fees.

All Anchorage distance classes incorporate the course management system called Blackboard. All students enrolled in UAA distance classes are required to log in to Blackboard to retrieve course information. Details regarding Blackboard are below. More information is also available at www.uaa.alaska.edu/classes.

If you have questions about Anchorage distance classes, visit www.uaa.alaska.edu/distanceeducation, email distance@uaa.alaska.edu, or call (907) 786-4646, option 3, or toll-free at 1-877-633-3888 to speak with a representative.

Kenai, Kodiak and Mat-Su distance classes

Kenai, Kodiak and Mat-Su distance classes are open to UAA students. To view these colleges' updated class schedules, go to uaonline.alaska.edu or go to www.kpc.alaska.edu for Kenai classes, www.koc.alaska.edu for Kodiak classes, or www.matsu.alaska.edu for Mat-Su classes.

Blackboard

What is Blackboard?

Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a distance class. Students use Blackboard to gain access to course materials, assignments and other important items related to their distance class.

Where do I get my UA user name and password?

Go to www.uaa.alaska.edu/technology and

click on the Identity & Password link.

Where is my Blackboard class located?

Blackboard has links from the UAA homepage and the Distance Education site at www.uaa.alaska.edu/distanceeducation, or go directly to www.uaa.alaska.edu/classes. Once you are enrolled in a class, you will visit this site often, so it's a good idea to bookmark it on your computer. Each distance class you're registered for will show up here on the first day of the semester. Not

all classes you are enrolled in will show up on Blackboard, but all distance classes will be available here.

How do I make corrections to UAOnline or Blackboard?

Go to UAOnline if you need to update a mailing address or other personal information. For name changes, submit a form at the One Stop Student Services in the University Center.

Important Information

1) Register for distance classes via uaonline.alaska.edu.

2) Once registered, review the Distance Education Guide at www.uaa.alaska.edu/distanceeducation. However, for information on Anchorage classes with a "D" in the section number, contact the department.

3) All distance classes are web-based through Blackboard at www.uaa.alaska.edu/classes.

4) Distance classes appear on Blackboard on the first day of the semester. It is the student's responsibility to log in to Blackboard, review the course syllabus and complete the coursework.

Equipment Requirements

Blackboard classes

Students registered for Anchorage distance classes must have access to a computer, word processing software and the Internet during the semester. For Blackboard classes, you will need:

- Windows XP, Vista 7, or Mac OS X 10.4, 10.5 or 10.6
- Modern web browser such as Firefox 3.5+, Internet Explorer 7+ or Safari 3.X+
- Java Runtime
- 1.2 GHz or faster CPU (e.g., Intel Pentium IV/Core Duo, Core 2 Duo, Core i3/5/7, etc.)
- 1 GB of RAM; 4 GB of RAM recommended
- DVD-ROM drive
- 1024 x 768 screen resolution
- 56 Kbps dial-up modem; 256 Kbps or faster cable/DSL modem recommended
- Word processing software (Microsoft Office)

Be sure to consult the syllabus of a specific class to learn more about the instructional format, policies, and hardware and software requirements.

Illuminate Live (eLive) classes*

ELive is provided through your Blackboard account. If your class uses eLive, go to www.uaa.alaska.edu/elive for information and reference guides. For eLive classes, you will need:

- Blackboard class requirements listed above
- Headset with a microphone

Audio conference classes*

Audio conference participants use a toll-free number and pass code to dial in to a common telephone line at a scheduled date and time. For audio conference classes, you will need:

- Blackboard class requirements listed above
- Phone access

*ELive and audio conference classes have scheduled meeting times.

CIOS - Computer Information & Office Systems

*Offered through the Community & Technical College
 University Center (UC), Room 130, 786-6426
www.uaa.alaska.edu/ctc/programs/cet/cios*

There are no set class meeting dates/times for CIOS self-directed courses and students complete the coursework at their own pace throughout the semester. Some classes may be completed at home, depending on software requirements.

Students enrolled in these courses start by entering the Blackboard site at www.uaa.alaska.edu/classes, reading the syllabus, and then completing any pre-course activities before starting the assignments. Tutorials for using Blackboard are under the Student Resources section of the website above.

Students can also receive assistance from the CIOS lab staff and complete coursework in the University Center, Room 134; check the lab schedule for open lab hours. Self-directed courses must be completed during the semester in which they are taken.

Course fees may apply; refer to specific course listing on UAOnline.

MATH - Mathematics

*Offered through the College of Arts and Sciences
Social Sciences Building (SSB), Room 154, 786-1744
www.math.uaa.alaska.edu*

The Mathematics Accuplacer Placement test is given at the University Center. For dates and testing times, call 786-4500. A fee is charged to take the Accuplacer Placement test. The fee must be paid at the cashier window in the University Center prior to taking the test. Please take your receipt and picture ID to the testing room.

Results of the Mathematics Accuplacer test remain valid for one year. Only one retake will be permitted per semester, with a minimum of a one-week wait period between testing.

For information about courses taught by the College Preparatory & Developmental Studies Department (CPDS), please call 786-6856.

For information about courses taught and placement testing procedures at the Eagle River Campus, please call 694-3313.

For information about courses taught and placement testing procedures at Fort Richardson, please call 428-1228.

For information about courses taught and placement testing procedures at Elmendorf Air Force Base, please call 753-0204.

Each student taking MATH A050 through MATH A205, MATH A250, or MATH A272 will be charged a lab fee. Other course fees may apply; refer to specific course listing on UAOnline.

PEP - Physical Education Professional

Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.
