DON JOHNSTON, CEO OF DON JOHNSTON INC.

Don Johnston is the founder and CEO of Don Johnston Incorporated, based in Volo, IL. In 1980, he founded his company based on a personal desire to deliver assistive technologies and innovative instructional programs to improve the core literacy skills of students with special needs. Don, a non-traditional learner, grew up in the 50's and struggled with reading concepts until an inspiring teacher took notice of his learning behaviors and taught him to think and learn in different ways. Don is known as a visionary and pioneer in the field of special education and a leader in providing

intervention solutions to schools and districts across the United States, UK and Canada.
