The library is a partner in a \$250,000 grant from the Rasmuson Foundation to add content to the Alaska Digital Archives. During the past year, the library has held four historical photo ID events engaging the public in helping to identify historical images. The next photo ID event is scheduled for Saturday, April 22nd from 2 to 4 in the Library. Anyone who may be helpful in identifying people, places or events in historic pictures of Alaska is encouraged to attend. For more information please contact Dean Rollins, ansjr3@uaa.alaska.edu.

The Consortium Library is hosting an interactive exhibit, *Journeys*, beginning April 7. This interactive exhibit is based on the theme of discovery through travel and designed to inspire visitors/participants to think about the journeys we make in our lives, both throughout the world and within ourselves. The opening reception is Friday, April 7th, from 4:30 p.m. to 7 p.m. Refreshments will be served.

Sally Bremner gave a wonderful and informative presentation about HSIS and health resources available in conjunction with the Consortium Library. The wealth of information is truly amazing.

Each month the Library Advisory Committee tries to have a presentation on some aspect of the library. In April we will hear from Kevin Keating about the library instruction program. Meetings are held at 11:45 on the first Friday of each month in the Dean's Conference room on the third floor of the library. Anyone who is interested may attend.
