IMPORTANT NOTES!

- This sheet is best suited to use by students in one major. While many double majors can use it effectively, they should be certain to ask their advisors whether their majors affect their ability to use this list effectively.

- This sheet is meant to provide you with the most efficient way of taking classes. You may always choose classes from the GER list that are not on this combined worksheet. You are still responsible for meeting each requirement on this sheet.

- **General Education Requirements are not petitionable or waivable.**

- *All starred classes are upper division. All upper division classes count towards the upper division credits required for your degree.

- Unless the catalog says you may not do so, you may use major classes to meet GER & CAS requirements.

(1) Students usually take ENGL A111 and one of the 200 level English classes to meet this requirement. If you test out of ENGL 111, please be certain to see an academic advisor for appropriate placement.

(2) Prior to Fall 2006, STAT was AS
