

UNIVERSITY HONORS ETHICS PLEDGE

I will strive for academic excellence. I will act with integrity in all scholarly endeavors. I will treat faculty members, fellow students, and all members of the University Community with respect and empathy. I will respect the rights and property of others. I will notify the appropriate authority or agency if a student appears to present a threat to himself or herself, or others. I will strive to better my community through active participation. I will follow all rules, policies, and regulations pertaining to the UAA Student Code of Conduct.

By signing this University Honors Code pledge, I promise to maintain good disciplinary standing at the University of Alaska Anchorage. Should any disciplinary action be brought against me for violation of any of the provisions of the Student Code of Conduct, I agree that any allegations of the Student Code of Conduct violations may be forwarded to the University Honors Ethics Board. I also agree that any outcomes of any judicial process or administrative review may be forwarded to the University Honors Ethics Board for the purpose of its review of my standing in the University Honors Program.

I have reviewed the University Honors Code of Ethics and the UAA Student Code of Conduct.
