## Honors Events

### Honors Advisory Board

If you would like to be apart of the Honors Advisory Board, meetings will be held Wednesdays at 11:30am in the Honors Lab in Rasmuson Hall. Applications can be found online or in the Honors office. The UHSAB advises program administration and faculty in matter relating to the development of new curriculum, student activities, and public service. The mission of the UHSAB is to express the high aspirations of the University Honors students and to integrate the student voice in the vision and development of the program.

### Intramural NIAID

The 8th annual Intramural NIAID Research Opportunities program is taking place February 1- 4th, 2010 on the National Institutes of Health campus in Bethesda, Maryland. INRO brings academically talented students from populations underrepresented in the sciences to the National Institute of Allergy and Infectious Diseases to learn about research training opportunities. More information

can be found about INRO online at <http://www.niaid.nih.gov/labs/training/> intro or you mayemail Wendy Fibison at [INRO@niaid.nih.gov](mailto:INRO@niaid.nih.gov).

### Philosophy and Science Panel

On Wednesday September 16th, Three visiting scholars present a panel discussion on Ancient Philosophy and the Foundations of Science discuss both conceptual and historical connections between Ancient Greek Philosophy and the development of science. The event will be held in the Library in room 307 and begins at 7pm.
