

AH-CHOO!

**Millions of children suffer from allergies.
That's a lot of sneezes.**

Providence Health Talk: Asthma and Allergy Basics for Children and their Parents.

Dr. Thad Woodard, host of the ever-popular informative radio show Line One: Your Health Connection on KSKA 91.1 FM, will present and discuss the basics about asthma and allergies and how the two might be related.

Dr. Woodard is president of the Asthma and Allergy Foundation of America, Alaska Chapter, chair of the Alaska Asthma Coalition, and former medical director of the American Lung Association in Alaska. He has more than 20 years experience as a pediatrician with a special interest in asthma.
