

Do you understand the University of Alaska retirement plans?

Do you have the knowledge to manage your investments?

Do you have the time to manage your investments?

If you answered “NO” to any or all of the above questions, let AIG VALIC help you in selecting the University retirement plan and investments that best meet your financial needs and goals.

VALIC will be on the UAA campus August 24th, and to schedule an appointment, please contact Daniel Crumpacker at 279-8310 or daniel_crumpacker@aigvalic.com .

| Date | Location | Time |
|----------------------------------|-----------------------|--------------------|
| Thursday August 24 th | University Center 144 | 10:00 AM – 2:00 PM |
