

Paw Print

Each year the University of Alaska Anchorage welcomes close to 2000 new students from Alaska, International and lower 48 areas. The Paw Print is a resource publication used in assisting new students as they transition to life at UAA both academically and socially. Content includes job postings, welcome letters from key administration officials, event notices, student ID discounts and advertisements from the UAA and local Anchorage communities. Both students and parents received a copy of Paw Print and gave favorable responses to the 2008 Edition release.

If you are interested in submitting an ad to promote a particular service, program or make an announcement, now is the time. They will appear on the inside pages in black and white and printed on a space-available basis.

The deadline for the ad and this form is Friday, May 7th, 2010.
