---

Please attach your answers to the following questions. Please limit each response to 500 words. Responses must be typewritten. Your responses will be reviewed carefully. Students will be selected and invited to interview with the research team.

1. Please tell us why you would like to take this course?
2. Select one of the following terms and provide your definition of the term: leadership; teamwork; or, student success.
3. Students will work in a research team exploring the following question: What do first year students need to know about opportunities for campus engagement, advising, and enrollment policies and what communication strategies should be used to provide students with this information? Please rank these areas (campus engagement, advisement, or policies) in order of your research interest (1= most interest). Please explain your interest in your first choice.
4. In this course you will work as a member of a research team. Please describe the strengths and assets that you would bring to a research team (examples: good writing skills, technology skills, public speaking skills, good natured, etc.)

Please return your application to:  
Dr. Diane Erickson, University Honors College, Rasmuson Hall, suite 115 or email them to [afdme@uaa.alaska.edu](mailto:afdme@uaa.alaska.edu). Please put HNRS 209 application in the subject line of the email.

DEADLINE FOR APPLICATIONS: October 28, noon.
