Anchorage Mayor Begich's Welcome:
Project Management provides a framework to facilitate the rapid changes that are occurring on a global scale, and the world will rely upon your guidance to embrace the future.

UA President Hamilton's Welcome:
On behalf of the University of Alaska System, welcome to the Fourth International Project Management Conference held here at our largest UA campus, UAA.

UAA Chancellor Ulmer's Welcome:
We are privileged to host this prestigious event which brings together PM Industry practitioners, academicians and government officials from around the world.

Dr. Jang Ra, ProMAC2008 Chair
"UAA ESPM Department and PM professionals in Alaska are so proud of hosting this prestigious 4th bi-annual international conference after Singapore, Japan and Australia. Over 160 presentations from 12+ countries have been contributed."

Dr. Osamu Ohno, President, Society of PM in Japan
"On behalf of SPM in Japan and international ProMAC delegates, we are impressed by the local organizing committee's conference preparation and appreciate Alaskan colleagues hospitality."
