PEP - Physical Education Professional
Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/physical

Many PEP courses are introductory. All courses follow a rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class.

Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.
