Request for Late Add or Retroactive Withdrawal

It is your responsibility to ensure the accuracy of your class schedule each term and comply with all university regulations and deadlines. Being unaware of university procedures and deadlines or modification of the record for the sake of appearance does not constitute justification for exception to policy. The university is obligated to ensure the integrity of the transcript as an historical document. Therefore, the transcript must reflect the actual history of the student’s experience at the university.

Directions: Complete this form including course information, written explanation summarizing rationale for exception, and provide supporting documents. Completed form should be submitted to the One Stop Kiosk in the University Center or your community campus Student Services office.

The information below is intended to provide a description of the process and reasons that may support a request. Exceptions are not automatic and will be granted on case-by-case basis in light of circumstances and documentation.

Students are required to provide supporting documentation with this request to substantiate the reasons for being unable to meet published deadlines or adhere to current policies. Requests without documentation may be returned and not considered.

1. Only requests submitted by the student or by a person with legal authority to act on behalf of the student will be considered.

2. The deadline to submit a Request for Late Add or Withdrawal is no later than one academic year following the semester in which the course was offered. (Note: Requests that are not received within this timeframe will not be considered.)

3. Requests for refunds must be applied for separately through Petition for Refund of Tuition and or Late Fees.

4. Decisions will be made solely on supporting documentation provided. In all cases a personal statement from the student is required summarizing the situation and explaining the need for an exception.

6. A request will only be approved if the requestor can demonstrate unanticipated and unavoidable circumstances beyond the student’s control that arose or came to light after published deadlines. Work-related issues, financial hardship, and failure to read UAA’s documents generally do not present justifiable reasons to support an exception request.

7. Reconsideration of an adverse decision must be in writing, provide additional documentation not presented in original request and be received within 10 working days of the day the decision is mailed or otherwise distributed to the student. Reconsiderations of community campus decisions are at the discretion of the Campus Director and should be routed as described in the notification letter. All other reconsideration requests may be emailed, delivered in person or mailed to:

Lora Volden, University Registrar
Po Box 141629, Anchorage, Alaska 99514

- Reconsiderations will be reviewed within 5 business days of receipt.
- Notification will be to the preferred email accounts.
