| Monday--Thursday 5:00 pm—8:00 am the next morning |
| Weekends Friday, 5:00 pm--Monday, 8:00 am |

**All phone numbers listed have a 907 area code**
Dear Seawolf:
Our highest purpose and mission is your academic and personal success. The professional and student staff members of Residence Life and Housing are here to support you, and we take this responsibility to heart each and every day. In two words: You Matter!

We urge you to make the most of your on-campus advantage, by truly connecting to your fellow students, your classes, and to campus organizations and activities. On-Campus Living, comprised of University Housing & Dining Services and the Department of Residence Life, is here to help you make the connection to all of the great resources available at UAA. We have many exciting things planned for residents of the on-campus housing community this year, and hope that the facilities, programs, and activities we provide make a positive impact on your life as a college student.

The “Guide to On-Campus Living” serves as your resource to all of the policies and processes associated with on-campus housing. Please keep it handy as a reference throughout the year. If you have any questions that are not answered by the “Guide,” or if there is anything else we may do to assist you, please give us a call or stop by our offices – “Housing” is located in Commons 101, and Residence Life can be found in MAC 6-103. Thanks for choosing to live on campus; we look forward to getting to know you as we learn and grow together throughout the year.

Ryan-Jasen Henne, PhD
Director of Residence Life

David Weaver, M.A.
Director of University Housing, Dining, & Conference Services
Dear Residents:

Welcome home! This may be your first time living on campus or you may have lived here before, either way the Residence Hall Association (RHA) welcomes you and hopes to help you make this community truly feel like home.

RHA is the student governing body for those who live on campus in the residence halls and apartments. RHA works to create new policies, change policies that are not ideal, voice resident concerns, and plan exciting events for our community. RHA provides you many exciting opportunities to give you the experience of a lifetime living on campus at UAA.

We look forward to sharing the wonderful experience of living on campus with you this year. We hope to see you at our programs and meetings. Welcome home and prepare for a great year.

If you have any comments, questions, or concerns contact us at uaaRHA@uaa.alaska.edu or visit our Facebook page UAA Residence Hall Association.

Go Seawolves,

Hayleigh Stephens
President
UAA Residence Hall Association

WELCOME TO YOUR COMMUNITY

The Department of Residence Life and University Housing, Dining, & Conference Services (UHDCS) at the University of Alaska Anchorage provide students with a living and learning environment that supports their academic experience. We accomplish this goal by working cooperatively with student leaders, faculty, and staff in providing social, educational, and cultural programs in the residence halls and apartments.

The residence halls and apartments at UAA are as diverse as the students who live within them. Each building develops a character all its own. You will become part of a community unlike any you have ever experienced. We hope you will be comfortable enough in your surroundings to call where you live “home.”

The residence halls and apartments are more than a place to eat and sleep. The people you meet, the friendships you form, and the experiences you have will stay with you for the rest of your life! The experience of living and learning in a close-knit, academic community provides the greatest potential for individual and group achievement. Our philosophy is to encourage all residents to be responsible individuals. The following principles guide our staff in helping residential students succeed at UAA:

Academic Success – Helping to foster and promote your academic success and development is our primary mission. Research shows students living on campus are more successful academically and your academic success is important to us. Residence Life offers free tutoring, academic learning communities, computer labs, and academic success workshops. You are here to complete your academic goals, and we are here to provide resources, facilities, leadership opportunities, and activities to help you be successful.

Quality Service - Students are our priority. We strive to listen to your needs and concerns and respond with timely information, services, and programs.

We Are Part of a Larger UAA Team - Partnerships with Academic Affairs, Administrative Services, and Student Affairs help us serve you better.

Safety is Everybody's Business - This campus community wants everyone to work together to be responsible for our own safety, to remain aware of the safety issues and resources on campus, and to be a responsible community member by reporting crimes and safety issues.

We Learn For Life at UAA - Lifelong learning is part of UAA’s culture. The one characteristic everyone in the UAA community—students, staff, and faculty—shares is a passion for personal and academic growth. We are working toward a common goal: the betterment of ourselves and those around us.
Enhance Your Skills Through Employment and Leadership Opportunities – The departments of Residence Life and UHDCS are the largest student employers and activity centers on campus. Get involved! We can provide you with the experience future employers seek.

We’re Committed to Diversity - The opportunity to work and live with people of varying ages, ethnic backgrounds, abilities, sexual orientations, and religious affiliations helps strengthen our community.

Our Community is Built Around Reasonable Expectations - A successful group living environment requires clear communication of behavioral expectations and accountability measures so that all members of the community can thrive.
OUR SERVICE TO YOU

Our team is dedicated to serving the needs of students living on campus. The programs, services, and activities we offer are designed to augment students' educational experience. Our friendly staff is well trained and knowledgeable about the resources available to help you succeed. Programs and activities provide the framework for active participation in each community. Workshop topics range from college survival skills, roommate relationships, and alcohol awareness to global diversity, career planning, and personal safety. In the area of leadership and involvement, residential students have a strong voice regarding campus issues through their local governing body, the Residence Hall Association (RHA). New interest groups form each year as students’ discover mutual interests. We promote a diverse cultural view among staff, residents, and student organizations. This helps encourage an awareness and appreciation for differences, harmonious understanding, and provides a culturally rich environment.

Collectively, we recognize individual rights to cultural expression and encourage exploration of other traditions. Multiculturalism embraces the breadth of experiences represented within the diverse University community. Through student programming, workshops, staff training, and enlightened leadership, the departments of Residence Life and UHDCS are committed to creating a living environment that fosters a climate of mutual respect among all of its members.

Department of Residence Life Mission Statement
The Department of Residence Life (DRL), including the Alaska Native & Rural Outreach Program (ANROP) and Cama-i Room, seeks to create a safe and inclusive environment that supports personal and educational growth, leadership, wellness, and citizenship through intentional programming and outreach. In partnership with students, faculty, staff and the greater Anchorage community, we provide opportunities to empower residents as community members and as evolving individuals who contribute to society.

Values
• Civic Engagement--The Department of Residence Life seeks to instill a sense of citizenship in all residents, who are expected to treat others with respect, dignity and understanding. Residents will learn the importance of being a residential community, campus community, and global community. The Department of Residence Life further considers sustainability to be an essential component of active citizenship. Residents will be asked to consider their impact on the environment and to live as sustainable a lifestyle as possible while living in the residential community.

• Inclusivity--The Department of Residence Life seeks to create a welcoming community where all residents feel respected, and will find programs that challenge and engage them in dialogues on diversity.

• Leadership--In the Department of Residence Life, leadership means providing opportunities for students to serve their community by engaging in student organizations, employment opportunities and programs to help shape
professional standards for life after graduation. Leadership opportunities also connect residents to their institution, and act as laboratories for students to apply critical life skills learned in the classroom.

• Personal Growth & Academic Success--In the Department of Residence Life, personal growth means fostering a resident’s individual learning in respect to professional development, social transitions, and developing meaningful relationships to prepare them for future endeavors. Personal growth also encompasses a resident’s success in their academic pursuits.

• Safe Environment--In the Department of Residence Life, a safe environment means maintaining secure facilities that contribute to the peace of mind of residents, providing an on-call system that ensures constant service to residents in crisis and provides resources for future care, as well as comprehensive outreach and care to residents in need, and collaboration with University Police to create the safest environment possible.

• Wellness--In the Department of Residence Life, wellness describes the personal, physical, mental, and spiritual wellbeing of an individual and/or community, which are supported by learning and individualized care.
BECOME INVOLVED ON CAMPUS

Become Involved and Be Part of Our Team!
The Departments of Residence Life and University Housing, Dining, & Conference Services (UHDCS) provide a variety of fun and rewarding employment opportunities, with positions opening throughout the year. You can make new friends and have a convenient source of income with a flexible work schedule by working in your community.

If you are interested in joining our team, contact:
Residence Life, 751-7444, www.uaa.alaska.edu/residencelife
University Housing, 751-7202, www.uaa.alaska.edu/housing
or visit UAA’s Human Resource Services website, www.uakjobs.com, to view complete position descriptions and to apply.

Student Positions

Cama-i Room Peer Mentors (CRPM)
Paraprofessional staff that create a welcoming environment in the Cama-i Room and host weekly activities that are social, educational, and celebrate the various cultures of Alaska. CRPMs work during the weekends and the late evening hours of the week to support students.

Desk Assistants (DA)
Paraprofessional staff that monitor the safety and security of each hall through operations at the front desk. DAs also serve as a resource to students and staff by providing equipment checkouts, community building activities, policy clarification, and customer service.

Dining Staff
A variety of positions at different campus venues (cashier, fry cook, busser, barista, etc.).

Housing Resource Assistant (HRA)
Paraprofessional administrative staff members who handle day-to-day operations of the University Housing office during business hours, including mail, contracts, customer service, after-hours assistance, and administrative functions.

Mail Sorter
Responsible for the daily delivery of residents’ mail through UHDCS, Monday through Saturday.

Maintenance Staff
Assists the Maintenance Services Coordinator and related employees with the repair, renovation, and general maintenance of the residential community. Completes student generated work orders, conducts routine inspections of housing conditions, and provides preventative maintenance.
Office Assistant (OA)
Paraprofessional administrative staff handle day-to-day operations of the Residence Life main office during business hours, including mail pick-up, customer service, and administrative functions. Assist with On-Campus Living marketing and publicity, create information bulletin boards, and special projects.

Resident Advisors (RA), Peer Mentors (PM), Programming Assistants (PA)
Paraprofessionals who offer support and guidance within the residential communities. They are selected for their ability to have a positive impact on group living. RAs, PMs, and PAs undergo an extensive training program focused on leadership, peer counseling, academic support, crisis intervention, conflict mediation, activity facilitation, and community development.

RA
Paraprofessionals who serve as a referral contact for students in need of personal or academic assistance. They also confront residents when their behavior extends outside community guidelines. They produce dozens of educational, social, diversity, and community service programs, as well as informational bulletin boards throughout the semester. Resident Advisors are eager to address your individual questions and concerns and to help in any way they can.

PM
Paraprofessionals who provide personal and academic support for students through study groups, academic programs, and other outreach programs. They assist with Guidance 150 Creating Success in College classes taught in North Hall. They produce dozens of educational, social, diversity, and community service programs, as well as informational bulletin boards throughout the semester.

PA
Paraprofessionals who serve as a resource for students through collaboration with RAs and PMs for programming and outreach. Help with Welcome Week, create informational bulletin boards, and participate in collateral meetings with campus partners in the areas of diversity/identity, alcohol/drug wellness, and late night programming. Plan and implement 2 programs per month in these areas.

Professional Live-In Staff
Residence Coordinators (RC) and the Associate Director of Residence Life supervise Resident Advisors, Desk Assistants, Peer Mentors, and Programming Assistants. These full-time, master degree level professional staff members are assigned to a community and ensure the goals of the department are met. They are highly trained and assist students with any concerns that might affect their personal or academic life. They are directly responsible for the coordination of the
educational, cultural, and social programming within the residence halls and apartments.

**Involvement Opportunities**

**The Department of Residence Life** recognizes the value of living on campus and encourages you to become an active member of your community. Through staff sponsored programs and committees run by residents, you have the chance to participate in activities and make a contribution to your community. We hope you will join us in our efforts to enhance your experience at UAA.

**Cama-i Room**
Located in Commons 104, the Cama-i Room is a social gathering place for UAA students and residents. Everyone is invited to hang out or take part in the various activities and programs that focus on Alaska Native, Native American, and Alaskan cultures. Couches, table, and chairs are available for students to lounge and relax or to study. Art supplies, a TV, board games, and food are available to pass the time and relax. The Cama-i Room is a great place to meet other students and access additional UAA resources.

**Community-Building Programs**
In addition to their other duties described in this handbook, Resident Advisors, Peer Mentors, and Programming Assistants coordinate programs and activities for residents. These programs are designed to provide both educational and social opportunities for the residential community. Watch your front door and bulletin boards for flyers advertising these upcoming programs. In addition, we encourage you to contact your Resident Advisor, Peer Mentor, or Programming Assistant for programs you would be interested in attending.

**Counselor-in-Residence**
The Counselor-in-Residence, located in UAA’s residential community, provides free and confidential brief counseling and counseling support services to students living on campus. The Counselor-in-Residence is designed to help students address academic, relational and emotional concerns. The Counselor-in-Residence can be reached Monday through Friday from 8:00 a.m. to 5:00 p.m. at 786-6158, and the office is located in the West Hall lobby.

**Residence Hall Association (RHA)**
The Residence Hall Association is the student governing body for the residence halls and apartments and is made up of students like you. Members of RHA help create policies, host open forums to discuss residents’ concerns, and plan fun events open to all students. RHA seeks to give a voice to all residents in issues that impact their residential experience.
(Becoming Involved on Campus, continued)

RHA has a direct voice in University governance activities via a voting seat on student government (USUAA). RHA is not only a great place to meet friends and get your voice heard but also gives you a chance to contribute to an academic and diverse residential environment while expanding your resume. RHA is a great way to get involved!

**RHA General Assembly (GA)**

Each residential area receives a certain number of votes in the RHA General Assembly based on the population of that area. These representatives are selected at the beginning of each year and attend weekly RHA meetings. Representatives vote on funding requests, amendments to the RHA bylaws, executive board elections, and resolutions. Representatives are required to host at least one open forum in their area each semester to ensure they are in touch with the needs and opinions of their students.
LIVING/LEARNING COMMUNITIES

The departments of Residence Life and UHDCS work with other University departments to provide learning communities in the residence halls and apartments. These communities give students the chance to live with others who have the same interests and develop both personally and academically. Each community has its own unique identity and provides opportunities for special programs, activities, and leadership roles.

Alyeska Community (ANSEP), West Hall
This is a cooperative program between Residence Life and Alaska Native Science & Engineering Program (ANSEP). This community provides a supportive environment for science and engineering majors, particularly Alaska Native and rural students. The Alyeska community (ANSEP) helps students develop close ties with others of similar backgrounds and interests as they experience the adjustment to campus life together.

Aviation Community, East Hall
Aviation majors or students planning to pursue a career in Aviation live in this community. The Aviation Department, in conjunction with Residence Life, provides peer academic mentoring, social and educational programming, and networking with individuals in the Aviation profession. The RA in this community is also an Aviation major or minor.

First Year Experience Program, North Hall
This program is for first-year college students under the age of 20 who have completed 20 or less college credits. Residents are provided with resources and activities to help them with the transition to college life, such as peer support and mentoring, social events, workshops on academic and personal growth, tutoring and study groups, and opportunities for leadership and community service. The program has 15 student staff members (4 Peer Mentors / 8 Resident Advisors / 3 Programming Assistants) to assist incoming students with their transition. Individuals participating in the First Year Experience also have the opportunity to enroll in Guidance 150, a three credit academic class focusing on academic success skills some sections of which are taught in their Residence Hall.

Nightingale Community (RRANN/Nursing), West Hall
The Recruitment and Retention of Alaska Natives into Nursing program (RRANN)/Nursing in conjunction with Residence Life, provide nursing and pre-nursing students on-site tutoring, special events, weekly community gatherings with Nursing faculty, and computers just for Nightingale Community residents.

Rural Alaska Community, North Hall
Native Student Services (NSS) in partnership with Residence Life provides support and resources to Alaska Native and rural freshman as they adjust and transition through their first year in college in an effort to promote retention. The Rural Alaska Community helps build a peer support network through academic, social and cultural programming. Students will have direct access to NSS support staff for assistance
and guidance throughout the year. Participants in the Native Early Transition (NET) program, provided by NSS in the fall will have priority in placement for the Rural Alaska community.

Teaching and Learning Community, East Hall
This community brings you together with other Education majors or students exploring careers in teaching. Through social and academic events, develop relationships with peers and engage with faculty and other professionals in the field of education.

University Honors & UAA Scholars Community, East Hall
Students enrolled in the University Honors Program or UAA Scholars may choose to live with students of similar academic commitment on the Honors Floor. Activities in this community focus on academics, leadership, community service, and allow students to gain hands on participation in educational and social programming.

Wellness Initiative
The Department of Residence Life and UHDCS provide healthy and academically supportive living environments for students. The following communities are designated as substance-free housing:

- First Year Experience (North Hall floors 1-4)
- Alyeska (ANSEP) Community (West Hall floor 3)

Substance-free housing prohibits residents and their guests from possessing or consuming alcohol, use or possession of drugs or other intoxicants, and possession of drug paraphernalia. All residents, including those 21 years of age and older, living in a designated substance-free housing community must adhere to the substance-free housing expectations. The Department of Residence Life has a strongly enforced expectation that all residents and their guests comply with all federal, state and university regulations related to the use or possession of alcohol and other drugs. All residence halls and apartments are non-smoking indoors and smoking of tobacco products must be done 50 feet away from buildings.
AMENITIES FOR ON-CAMPUS LIVING RESIDENTS

University Housing, Dining & Conference Services (UHDCS)
UHDCS groups together a variety of services that focus on providing for your day-to-day needs as a student, as well as those of faculty, staff, and the public. UHDCS is responsible for the administration of the three residence halls, Main Apartment Complex (MAC) and Templewood, including room assignments, maintenance, and student accounts. UHDCS also manages University Dining services in the Student Union, Health Science Building, Fireside Cafe, College of Arts and Sciences, Lucy Cuddy Hall, and the Gorsuch Commons. UHDCS also coordinates meeting services for conferences, seminars, and institutes conducted on campus. UHDCS is committed to providing comprehensive quality customer service to you and serving the needs of the greater community.

Cable Television
UHDCS and GCI cable are partners in providing basic cable service to the residential community. Students who would like this service must obtain a cable box from GCI. This requires students to open an account directly with GCI. Contact GCI Cable at 786-9200 for more information. Premium channels or pay-per-view are not included in the service package.

Computer Lab
A computer lab is located in the Gorsuch Commons. The lab has Mac and PC computers, full Internet access, printers, and a scanner. The Gorsuch Commons computer lab is maintained by UAA IT Services. For questions regarding the lab or hours, contact IT Services at 786-4646 opt. 1.

Garbage Dumpsters
Garbage dumpsters are located outside of Buildings 1, 5, and 6 in the Main Apartment Complex, in front of Templewood 17, and behind each residence hall. Please use these dumpsters regularly and be sure that all garbage is put into the container and then be sure to close the container lid (for animal control). Garbage will not be picked up by waste management if it is not deposited in the dumpster prior to pickup. Do not leave garbage in the stairwells or hallways.

Residents responsible for not properly disposing of trash may be assessed a removal fee. Do not block dumpsters as it might prevent trash pickup. Fees to reschedule garbage pick-up and parking citations for obstructing university operations may also be assessed.

Laundry
For residents living in Templewood, each apartment is equipped with a washer and dryer (not coin operated). For all other residents, coin operated washers and dryers, and change machines are available in the Main Apartment Complex Laundry Room (MAC Shack), located in Building 1, and on the first floor of each residence hall.
(Amenities for On-Campus Living Residents, continued)

Residence hall washers and dryers may also be operated with your WOLFcard. We suggest you watch your laundry closely as theft is a reality in any public facility. Please report any machine malfunctions with the machine number and location to Reliable Appliance at 278-4044 or UHDCS at 751-7202.

PowerHouse Fitness Center
The PowerHouse Fitness Center, located in the Gorsuch Commons, has a variety of cardiovascular exercise machines geared to keep you in shape during the long winter months. Equipment includes stair climbers, treadmills, and stationary bicycles. Bring an extra pair of shoes with you as no outside shoes are allowed in the fitness center.

Maintenance and Work Orders
The maintenance staff responds to all requests for repairs. If you need to have University property in your apartment or suite repaired, call in a work order to UHDCS at 751-7202. Normal wear and/or age related repairs are done at no cost. This includes free light bulb and smoke detector battery replacements. Damages related to vandalism, negligence, or misuse are charged to those responsible and students will go through the conduct process. Leaks should be reported immediately to prevent water damage. You should submit a work order to the Housing Office at any time for services such as smoke detector battery changes, carbon monoxide detector maintenance, light bulb replacement, heating, plumbing, and other maintenance concerns.

Mail
Incoming mail is distributed once daily (Monday - Saturday) by the Mail Sorter staff. UHDCS and Residence Life will distribute all important information regarding process and procedures through the University mail system. It is an expectation that all residents regularly check their mailbox for important information. Main Apartment Complex residents’ mailboxes are located in Building 1 (MAC Shack), and residence hall residents’ mailboxes are located in the Gorsuch Commons. Templewood residents also receive mail at the Commons. Outgoing mail is picked up daily from the U.S. mailboxes located outside Building 5 and in the Commons. Please do not send cash through the mail. All mail and parcels containing anything of value should be insured and tracked via the shipping service of your choice.

Want to give your address to family and friends?
Mail and packages should be addressed as follows:
Your Name
3700 Sharon Gagnon Lane, Your Box #
Anchorage, AK 99508
Receiving a Package

When you receive a package, you will be notified with a package slip in your mailbox. Packages may be picked up with your student I.D. at the UHDCS office.
(Amenities for On-Campus Living Residents, continued)

during regular Commons hours. Please remember to insure and/or track all valuable parcels.

Mail Forwarding
Upon your departure from the residential community, mail received by UHDCS will be forwarded for 30 days to the address you indicate when you check out. After 30 days, remaining mail will be returned to the sender.

Reservations/Reserving Space
Students living on campus may reserve meeting locations in the Gorsuch Commons, on a space available basis. For more information, call the UHDCS event coordinator at 751-7273. Students may also reserve meeting locations within the residence halls by contacting a Residence Coordinator.

Recycling
Recycling is available in the Commons outside the University Housing Office in Suite 101.

Summer Housing
Summer students and resident employees are subject to UHDCS/Residence Life rules, regulations, policies, and UAA’s Student Code of Conduct. Summer Housing is limited and available on a first come first serve basis. The Summer Housing Application is usually available around March 1st. UHDCS also provides summer housing to students, employees, and conference guests. For more information regarding Summer Guest Housing visit www.uaa.alaska.edu/ccs or call Conference Services at 751-7241.

Telecommunications
Throughout the residential campus, each resident’s telecommunications package includes access to local telephone service in common areas, cable TV in their apartment or suite, and high-speed wireless internet access. For more information, call Information Technology Services at 786-4646 opt. 5.

University Dining
The following meal plans have been designed specifically with the purpose of offering you a wide selection of great food at a price you can afford. We believe that good things are even better when they come in pairs. Our meal plans pair a number of “block” meals with a dollar amount of “flex” money per semester. This means, not only does your meal plan provide you with the option to visit Creekside Commons and ‘eat-all-you-care’ to, but it also gives you plenty of flex dollars to use at AFC Sushi in the Student Union or Ultimate Baja in the Cuddy Food Court as well as at any of our other campus vendors. To purchase a meal plan, or if you would like to make a change to the plan you have already selected, visit the Housing office in the Gorsuch Commons. For questions regarding the Dining Plan information, contact the UHDCS office at 751-7202.

DINING EXPECTATIONS AND POLICIES

WOLFcard
UAA Seawolf Dining offers you the ease of using your WOLFcard at all of our dining locations. This means the same card you use to make purchases at the Bookstore or check out books at the library will contain your dining information. It includes your meal plan selection and account balance, allowing you to use it at all dining locations campus wide. Wolfbucks may also be used at some off-campus restaurant locations. Check out www.mywolfbucks.com for more details. You'll never have to worry about scrambling for change or carrying more than one card while you're on campus.

Lost or Stolen Cards
Should your WOLFcard become lost or stolen, please notify the WOLFcard office 786-4695 or the University Police 786-1120 immediately. Notification should be made in person if possible. The missing card will be deactivated immediately upon notification of its loss and another issued to you.

Dietary Needs
The UAA Seawolf Dining staff is more than happy to do anything we can to cater to your particular dietary needs. Allergy alternatives, diabetic options, and trays for when you're feeling under the weather are part of our repertoire. For more information, please contact Creekside Eatery at 751-7426.

Dining Procedures
One of our main goals is to provide a pleasant, clean, comfortable, and satisfying dining experience for everyone. In order to meet this goal, we ask for your assistance with the following procedures: please clean dishes and disposables from your table when you have finished dining; please refrain from taking food, dishes, or utensils from the dining area; remember that meal cards are non-transferable and meal plans cannot be used by anyone but the purchaser.
DINING OPTIONS

Bear Necessities - The Gorsuch Commons
If convenience is on your mind then the Bear Necessities convenience store is your answer. Out of shampoo? Look no further than The Bear. Just enough time for a light breakfast? Join us at The Bear for a cappuccino and a bagel with cream cheese. Late afternoon on the run? Grab something from Simply To Go in The Bear. Time to stock up on groceries? The Bear has what you’re looking for. Open early and open late--convenience with you in mind.

Monday-Friday 7:30 am--11:00 pm
Saturday-Sunday 12:00 noon--11:00 pm

Creekside Eatery - The Gorsuch Commons
Featuring a wide variety of fresh food designed to satisfy everyone’s appetite with food choices to rival your favorite restaurants:
• Fresh fruit and salads
• Delicious, hot, home-style entrées
• Freshly baked pizza and pasta
• Deli choices served on freshly baked breads
• New creations by our chef just for you
• Ice cream and freshly baked desserts
• Homemade soups
• And you can enjoy “all-you-care-to-eat”

Monday-Thursday 7:00 am--10:00 am (Breakfast)
11:00 am--1:30 pm (Lunch)
1:30 pm--4:30 pm (afternoon cravings)
4:30 pm--7:30 pm (Dinner)
Friday 7:00 am--10:00 am (Breakfast)
11:00 am--1:30 pm (Lunch)
4:30 pm--6:30 pm (Dinner)
Saturday-Sunday 10:00 am--1:30 pm (Brunch)
4:30 pm--6:30 pm (Dinner)
Monday-Sunday 9:30 pm--11:00 pm (Late Night)

(Dining Options, continued)

Cuddy Market Place
Featuring Pizza Piazza, Ultimate Baja, Grill 155, Simply To Go, and Soup & Salad.

Monday-Thursday 9:30 am--6:30 pm
Friday 9:30 am--2:00 pm

The Daily Grind - Cuddy Hall
Proudly serving Raven’s Brew, an Alaska roasted coffee. The Daily Grind offers a complete line of espresso beverages, along with an assortment of freshly baked pastries and confections, salads, and sandwiches.
(Dining Options, continued)

Monday-Thursday  7:30 am--7:00 pm  
Friday            7:30 am--2:00 pm

* Meal plan, dining dollars, and WOLFBucks not applicable in Lucy’s in the Cuddy Hall.

Kaladi Brothers Coffee - Social Sciences Building Kaladi Brothers features local signature beverages, and a wide range of hot and cold coffee drinks. The café serves a variety of freshly prepared deli sandwiches, salads, pastries, freshly made soups, bottled beverages, and other light refreshments.

Monday-Thursday  8:00 am--8:30 pm  
Friday            8:00 am--2:00 pm

Mein Bowl, Authentic Asian Cuisine - Downstairs in the Student Union
Exotic spices, delicate, aromatic sauces, intricate, and imaginative combinations of vegetables and chicken, beef or pork.

Monday-Thursday  10:00 am--6:00 pm  
Friday            10:00 am--4:00 pm

Spirit Express – Health Sciences Building
An espresso counter featuring an assortment of fresh grab-n-go items, as well as bottled beverages.

Monday-Friday     7:30 am--4:30pm

Subway - Downstairs in the Student Union
Subway offers their great tasting sandwiches, salads, wraps and more to UAA’s campus. Offering value meal deals that can’t be beat, Subway promises daily and fresh food the way you want it.

Monday-Thursday  10:00 am--6:00 pm  
Friday            10:00 am--4:00 pm

*Serves subject to change based on needs of business

(Dining Options, continued)

Sushi by AFC - Downstairs in the Student Union
Who can resist delicious and beautifully arranged sushi, such as California rolls, eel rolls, and roll combo packs? Our in-house sushi chef will be happy to create something special just for you. Options for vegetarians include cream cheese sushi and the ever popular vegetable roll.

Monday-Thursday  10:00 am--6:00 pm  
Friday            10:00 am--4:00 pm
University Housing and Dining Agreement
The University Housing and Dining Agreements are legal and binding, and we urge you to thoroughly read them. Residents are responsible for all conditions stipulated in the Agreements, this handbook, all University policies, as well as local, state, and federal laws. The occupancy period covered by the Housing Agreement is the entire academic year, a semester, or a summer session. Timely move-out at the end of an agreement period is critical. Students must maintain a minimum of nine (9) credits per semester to live on campus during the academic year, and a minimum of three (3) credits per session during the summer. Residents must also maintain academic progress throughout their residency.

Release from Agreement
The student may be released from his/her agreement per the mid-term release schedules. Release fees and/or cancellation fees will be applied to the student’s account. Petitions for an exception to the release/cancellation fees must be submitted in writing. The UHDCS/Residence Life Agreement Release Committee considers petitions only when a student has been medically disabled, has experienced a death in the family, undergoes a change in their marital status or their parental status, or has been subject to change in employment location beyond the student’s control. Written documentation of these circumstances is required. Exceptions are not considered for student’s failure to comply with published deadlines or changes in the student’s or their family’s financial status. Termination of the University Housing and Dining Agreements for cause (such as disciplinary sanctioning) will result in the student being charged according to the mid-term release schedules. Release fees and/or cancellation fees will be appropriately applied to the student’s account.

Room Condition Report (RCR)
For your protection, a Room Condition Report (RCR) is completed at check-in. This form outlines all aspects of your room, including its present condition. Students are responsible for returning the RCR to Housing before receiving a key or PIN code. At check-out, RCRs are used to determine changes in your room’s condition (beyond normal wear and age). Anything missing or damaged will result in damage charges assessed to the student as deemed necessary.

Fire Drills, Mid-Semester Safety & Facilities Checks
Mid-semester safety and facility visits are conducted each semester by your Resident Advisor. The purpose of the visit is to check the health and safety conditions of all housing spaces. You will be notified in writing at least one week prior to your Resident Advisor beginning their visits. Common areas and bedrooms are checked for cleanliness. During fire drills, fire extinguishers and smoke detectors are also checked to verify that they are operational. If you have questions about these visits, please call the UHDCS office at 751-7202.
Room Modification and Storage
Residents are not permitted to apply permanent or nonpermanent color anywhere inside the residence hall rooms and apartments. Wall hangings are allowed, but please use push pins or thumb tacks to hang them, not tape or nails as they may damage the walls. Charges for painting and patching may apply for excessive wall damage. Please do not draw on walls with markers or chalk. For more information, visit On-Campus Living’s website at www.uaa.alaska.edu/ocl or Residence Life’s site at www.uaa.alaska.edu/residencelife/campusliving/whattobring.cfm.

Intention and Room Selection
Residents are required to provide the University Housing office with their on campus living intent for the following academic semester. Specific information regarding this process will be distributed via student mailboxes and common area postings. During the intention process, current residents can announce their intent not to return to housing, or will be instructed on how to reserve a room should they wish to continue living on campus. Spring residents will participate in this process for the following fall semester regardless of their plans for the summer semester. Failure to participate in the intention process may result in a charge placed on your student account.

Check-Out Upon Semester Completion
When you are ready to check out of your room, follow these steps:

1. Make sure our bedroom is clean and all of your personal belongings are removed.
2. Clean your share of all common areas.
3. Hand in room key (if applicable) to the Housing Office in the Gorsuch Commons during normal operating hours.

If you are checking out earlier than the last week of the academic semester, please contact the UAA Housing office for instruction. Preparatory checklists are provided to assist you in meeting cleaning expectations. Once check-out is complete, your deposit, minus any charges, will be returned to you approximately ten weeks after you move out. If you do not have a balance on your UAOnline student account, your deposit will be mailed to your home address. If you have a balance on your UAOnline student account, your deposit refund will be placed on your student account. To change/update your home address, visit your UAOnline student account. If you are a UAA employee, please see your supervisor about a change of address form.

Failure to completely vacate according to the policies, procedures and deadlines established will result in the assessment of an improper check-out charge and a per day room use charge until vacated. Current Housing rates and fees can be found at the University Housing website: www.uaa.alaska.edu/housing

Room Changes
Room changes may be requested through your Residence Coordinator. Requests may be accommodated on a space available basis and pending approval of the Residence Coordinator. If the request involves an existing roommate conflict, the
(Living On Campus: What to Expect, continued)

resident is expected to contact their RA or RC to work toward resolution prior to requesting a room change (for assistance refer to Resources – Conflict Mediation). Changes are not allowed during the “room freeze” period (please consult with the University Housing Office for scheduled room move periods each semester).

**Administrative Room Changes**
Administrative room changes may be made at the discretion of UHDCS and/or the Department of Residence Life to address roommate conflicts, sanction residential students, accommodate the needs of summer housing contracts, or without cause. Students are responsible for all costs associated with moving including any increases for a different room type or meal plan. Students are responsible for completing an administratively directed room change within the time allotted and at their own expense.

**Common Areas and Public Areas**
Common areas include any part of a suite/apartment outside of the individual bedrooms. These areas are for the use and enjoyment of all the residents living in that unit. Public areas are spaces open to all residents, and include lounges, laundry rooms, computer labs, and lobby areas. Courtesy and respect for others is expected when using common and public areas. Harassing or disruptive language or actions will not be tolerated in common and public areas. Residents must keep common areas within their apartment or suite clean and orderly. University Housing reserves the right to fill vacant bedrooms at any time. Current residents must provide reasonable storage for incoming residents, and maintain clean and welcoming common areas.

**Energy Conservation**
A large portion of your housing fees is applied toward utility bills (electricity, gas, and water). Please turn lights off when not in use and conserve water when possible. Please leave windows and garage doors closed during winter months to prevent pipes from freezing and causing you to lose heat and/or hot water. Lighted signs are prohibited in student rooms and common areas.

**Immunizations**
All residents, within one week of check-in, must provide the Student Health and Counseling Center with evidence that they are in compliance with the UAA Student Health and Counseling Center’s Residential Student Immunization policy. For more information, visit:
[www.uaa.alaska.edu/studenthealth/physicalhealth/immunizations.cfm](http://www.uaa.alaska.edu/studenthealth/physicalhealth/immunizations.cfm)

**(Apartment) Kitchens**
Meal preparation, grocery purchases, and kitchen cleanliness are the responsibility of each apartment resident. It is important that apartment mates reach agreement regarding shared use of the apartment kitchens. As an alternative to cooking, apartment residents may select a meal plan, or open a Dining Dollars declining balance account. For information, see the University Dining Guide or call UHDCS at 751-7202.
Parking
All motorized vehicles (including motorcycles) on campus must be parked in designated lots. Housing parking lots, including Templewood garages, require a parking permit, which may be purchased at Parking Services, located in the lower level of the Bookstore. In addition to having a parking permit, residents wanting to park their vehicles in University Housing parking lots will need to display a Housing sticker available at no cost from the Commons front desk. Visitor paid parking areas are the Willow and Cottonwood lots. All lots, including visitor lots, are subject to Parking Services timelines, policies, regulations, etc. University Housing residents are not allowed to park in visitor areas (see map in the back for locations). No motorized vehicles such as scooters, motorcycles, etc. are permitted in residence halls or apartment buildings. No campers, boats, or trailers may be parked in the housing lots. Parking is enforced on a 24-hour basis. Any questions should be directed to Parking Services at 786-1119.

Snow Removal
Residents are periodically required to move their vehicles for snow removal. Advance notice about snow removal is posted on mailroom and apartment doors, on signs next to the Sharon Gagnon Lane and Residential Drive entrances, and the MAC Building 1 bike path. Be sure to look for these notices after a snowfall. It is your responsibility to move your vehicle. All vehicles remaining in the lot after the posted date and time are cited for obstructing University operations and towed. Citations are $15.00 and the owner is also responsible for towing fees. If you plan to leave your car on campus during academic breaks or for other extended personal or academic reasons, you must contact housing for directions to the appropriate lot.
ACCOMMODATIONS FOR
STUDENTS WHO EXPERIENCE DISABILITIES

The residential community is specifically designed for accessibility. Available equipment includes, but is not limited to, barrier free furniture, shower benches, fire horns, strobes, and computer adaptive technology support. For more information contact UHDCS. Approved service animals for persons with disabilities are welcome in student housing. Verification of the need of the service must be provided by the student to Disabilities Support Services (DSS) located in the Rasmuson Hall, room 105, prior to the student assuming occupancy. For more information call DSS at 786-4530 (V) or 786-4536 (TTY).
TRANSPORTATION

Public Transportation
For residents wishing to use public transportation, a People Mover bus stop is located on Elmore Street just south of the Commons. Currently enrolled students and UAA employees may ride the People Mover and Muni-Lift buses for free with the U-Pass program. Student ID cards (WOLFcard) with current semester validation serve as bus passes for all People Mover and Muni-Lift routes.

Visit the website at: www.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.cfm for the route map and updated pick-up intervals in case of changes. It is a fully accessible service. Contact Disability Support Services at 786-4530 (V) or 786-4536 (TTY) for information about other campus transportation services for students who experience disabilities.

Hertz 24/7
Students over 18 years of age can rent a car by the hour or day and pick it up right on campus. For more information, visit www.hertzondemand.com

Seawolf Shuttle Schedule
Monday-Thursday 7:45 am--6:00 pm (every 15 min.)
6:00 pm--8:30 pm (every 30 min.)
Friday 7:45 am--4:30 pm (every 30 min.)

ZimRide Ride Share
ZimRide by Enterprise is the largest online social ride share community in North America. For more information, visit www.zimride.uaa.alaska.edu.
SAFETY

Protecting You and Your Property
Concerns about personal safety and the security of property are shared by all segments of the University community. The security of your community depends upon residents working together with the Department of Residence Life, UHDCS, and University Police to promote a safety conscious community.

• Do not prop open apartment/suite doors unless the resident is present in the common area and all roommates agree to the propping.
• Report suspicious activity to University Police.
• The University does not assume responsibility for lost, stolen, or damaged personal belongings.
• Family homeowner’s insurance may cover your personal belongings while at school.
• Lock your bedroom door when you leave, and keep your suite or apartment door locked at all times, even when you or your roommates are at home.

UAA’s annual Campus Security and Fire Safety Report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings owned or controlled by the University; and on public property within, or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and other drug use, crime prevention, the reporting of crimes, sexual assault, and other related matters. You can access this report on-line at www.uaa.alaska.edu/upd/stats.cfm or by contacting the Dean of Students Office, Student Union 204, 786-1214.

Community Policing
In partnership with University Police, Residence Life and UHDCS welcome Community Policing to your community. The halls and apartments are the neighborhoods of the campus and Police Officers walk a neighborhood beat to solve problems and deter crime. The goal is not to increase the number of arrests but to focus on working with students as partners to prevent a crisis or crime before it happens. Community Policing efforts such as the neighborhood watch program and residential community safety audits encourage residents to promote proactive problem solving, develop community partnerships and take greater ownership and responsibility for their personal safety.

Emergencies
Residence Life and UHDCS staff are trained to respond to emergency situations and activate local emergency response systems. For any emergency, contact the Resident Advisor on duty immediately. If you need Police or Fire Department emergency assistance, dial 911.

Emergency Call Box
For your safety, emergency call boxes are located on the walking trail leading to Providence Drive and on the trail leading from West Hall to the Main Apartment Complex. In an emergency, use this call box to directly connection to the University Police dispatcher.
Natural Disasters and Weather Conditions
Alaska’s unique geographic location exposes residents to many different environmental conditions. Events such as earthquakes, volcanic eruptions, flooding, heavy rain, or heavy snow can occur and may cause the University to close temporarily. Updates of emergency closures may be accessed through the Campus Switchboard at 786-1800 (option 2) or the main UAA website: www.uaa.alaska.edu. Should a sizable earthquake occur, stand in a doorway until it is over. If you happen to be outside, you should stand away from buildings, telephone and electrical lines, and trees. After the earthquake, find a radio or television and listen for instructions from public safety agencies. For more information pertaining to Alaska’s unique environmental conditions, contact the Office of U.S. Government Earthquake Information at 786-7433, the Anchorage Office of Emergency Management at 267-4904 or University Police at 786-1120 (non-emergency line).

Personal Safety
The residential community is generally a safe environment, however it is not without crime. The majority of crimes in the residence halls involve the theft of personal property. Few of these thefts involve “forced entry” and most offenses fall into the category of “crimes of opportunity.” Effective security and protection of people and property are the primary responsibilities of all members of the campus community. Residents are encouraged to be security conscious at all times.

Safety Escort Service
Call Team Officers (CTOs) can be reached 786-1103 and provide safety escort service to the UAA community during the following hours:

Monday--Thursday 8:00 am--11:00 pm
Friday 8:00 am--7:00 pm

Here are some useful safety tips that may save you from falling victim to crime:
- Travel on well-lit streets.
- Walk with someone at night.
- Use a route that is well traveled by others.
- Know where emergency phones are located.
- Do not impair your judgment by the use of alcohol or drugs.
- Be sure your door is completely closed when you leave or while you are sleeping.
- Be sure the door is completely closed to the room or apartment when leaving a roommate asleep. Keep valuables such as wallets, money, and jewelry out of sight.
- Engrave all valuable items with your driver’s license number.
- Keep a record of all valuables noting description and serial numbers.
- Do not invite people you meet on the Internet to your room or to stay overnight in your room.
- Do not allow solicitors to enter your room.
(Safety, continued)

- Request identification and authorization from maintenance staff requesting to enter your room.
- Never lend your keycard, I.D. card, or meal card to anyone.
- Report all thefts immediately to the University Police at 786-1120.
- Report to the residence hall staff, all doors, locks and windows that are in need of repair.
- Be suspicious of unknown persons loitering or checking doors. Note their description and call University Police at 786-1120.

**Staff Access**

Students shall be free from unreasonable search and/or seizure regarding their person and their personal property. University personnel may enter a student housing residence with prior notice but without contemporaneous permission when they have reason to believe there is a violation of the UAA Student Code of Conduct in progress. Such entry must be done by, or have the authorization of, University personnel designated by the Chancellor or senior student affairs officer or designee. Prior to entering, University personnel will knock on the door of the student housing residence and announce their names and titles before entering.

When feasible, the University personnel will knock twice and announce that they are entering prior to actually entering the student housing residence.

When feasible, University personnel entering a student residence to enforce the UAA Student Code of Conduct or under emergency situations should be accompanied by at least one other person.

University personnel may enter a student housing residence without prior notice or contemporaneous permission when they have reason to believe there is imminent danger to persons or property. Such entry must be done by, or have the authorization of, University personnel designated by the Chancellor or senior student affairs officer or designee.

When feasible, the University will provide reasonable notice of housing entry for routine or preventative maintenance and repair, and health and safety inspections by maintenance and other authorized personnel. Notice of routine entry will include the reason for entry, who will be entering the residence, and an approximate time the entry will occur. Two attempts to contact the affected students should be made within the 24-hour period preceding the routine entry; such attempts may constitute, for example, knocking on the door. Residents need not be present at the time of routine entry. If present, residents are entitled to request identification from the authorized personnel. Residents will be notified within 24 hours if DRL or UHDCS staff enter your living space for any reason when residents are not present.
RESOURCES ON CAMPUS

Conflict Mediation
Your RA/PM can assist in ensuring your rights are protected. He/she is available to assist with problems but will not solve them for you. Should a situation arise in which you and your roommates are having difficulties living together, it is important that you strive to make the situation better by adhering to the following steps:

- Talk to your roommates. Failure to communicate is often the primary reason roommates do not get along.
- If you go to your Resident Advisor with a roommate problem, the first question he/she will ask you is whether or not you have spoken with your roommate(s) about your concerns. Putting off talking with your roommates will often only make the situation more uncomfortable.
- If talking to your roommate(s) does not alleviate the problem, then contact your Resident Advisor or Residence Coordinator. He or she will direct the residents in your apartment/suite to come up with a time for a roommate meeting. During this meeting you and your roommates, in conjunction with the Resident Advisor, will discuss issues in a relaxed atmosphere and create alternatives to help work through the difficulties in your apartment/suite. Failure to participate in a roommate meeting is a Department of Residence Life policy violation and may result in a referral to the conduct process.

Roommate Agreements
A Roommate Agreement is often a necessary tool you will develop and use in your roommate meeting. The agreement will specifically note the conditions by which you and your roommates have agreed to live. All residents of the apartment/suite will sign the agreement and be held to its contents. Failure to uphold a Roommate Agreement is a Residence Life policy violation and may result in disciplinary action. Should a Roommate Agreement be broken, or should the situation in the apartment/suite escalate, a second roommate meeting may be held with a Residence Coordinator and a Resident Advisor.
UNIVERSITY STUDENT CODE OF CONDUCT

Living in a residential community with other individuals requires responsibility and respect. Students who anticipate or observe a violation of the UAA Student Code of Conduct are expected to remove themselves from association or participation and are encouraged to report the violation. Residents are encouraged to take responsibility in holding their peers accountable and confront individuals violating policy, procedure, or regulations. When residents fail to respect the rights of others or make irresponsible choices within the community, the Residence Life staff acts to hold residents accountable.

Any resident may fill out an information report regarding UAA Student Code of Conduct policy violations. Each student is responsible for knowing UAA policies, procedures, and deadlines. Please refer to the UAA Student Code of Conduct at www.uaa.alaska.edu/deanofstudents/StudentJudicialServices/code.cfm for more information.
ON-CAMPUS LIVING’S COMMUNITY STANDARDS

There are four compelling Community Living Standards (CLS) that guide both our daily interactions with students and the formal On-Campus Living (OCL) conduct system. The four compelling CLS are broken down into specific residential community policies that residents are expected to abide by. These CLS were developed to help provide a safe and secure community. Violations that compromise the success, safety, or security of residents may result in appropriate disciplinary sanctions, including up to contract termination and are considered violations of the UAA Student Rights, Freedoms and Responsibilities Student Code of Conduct. Each resident is responsible for upholding the Board of Regents’ policies, University regulations, UAA rules and procedures, Department of Residence Life community guidelines and policies, and municipal, state, and federal laws. Residents may report student code of conduct violations by filling out an information report, by speaking with a Residence Life staff member, such as a Resident Advisor, Program Assistant, or Peer Mentor. The development of a successful community requires that students follow community guidelines and processes and approach interactions with honesty and respect. OCL student and professional staff members are required to report issues related to harm to self or others, or situations related to sexual assault/misconduct.

Residential Communities Policies

Residents are responsible for and/or prohibited from the following things:

1. Intellectual Environment

You are responsible for creating an environment that promotes the academic mission of the University. This includes upholding the visitation policies in the residential communities, and being held responsible for your visitors’ and guests’ behavior.

- **Gambling**: Gambling and sponsoring raffles or pools in or adjacent to residential communities is prohibited.

- **Guests**: Guests are welcome in the apartments and residence halls provided a resident accompanies them at all times. Guests in the residence halls may use the vestibule house phones to call their host for an escort from the main lobby to their host’s suite. Hosts who reside in the residence halls are responsible for checking in their guests at their residence hall front desk. All residence hall guests must present a valid form of identification (government-issued) listing their date of birth, a photo ID, and card identification number. Residents who wish to host guests who are 17 years old and under must register their guest with the Residence Life office during normal business hours, Monday through Friday between 8 a.m. and 5 p.m. You are responsible for your guest at all times! It is your responsibility as a resident to ensure your guest(s) follow all University regulations. Guests who violate the privacy of roommates or any community guidelines may be asked to leave. Overnight guests are permitted only if all residents of the
(On-Campus Living’s Community Standards, continued)

• apartment/suite have been informed and have given their consent. The rights of the resident supersedes the rights of the guest. An individual is defined as an overnight guest if he or she is present in an apartment or suite anytime after 2:00 am. Overnight guests must sleep in the host resident’s bedroom. Non-Residential guests may stay no longer than two nights in one week. Guests may not stay longer than three consecutive nights in a residential suite or apartment. Regardless of the number of residents who host them, an individual who is not a resident may not stay longer than eight nights a month in UAA’s residential community. Students found abusing the guest policy are subject to disciplinary action, which may result in loss of guest privileges.

• Hall Sports: Playing sport games in hallways or balconies, including but not limited to: basketball, bicycle riding, Frisbee, skateboarding, football throwing, running, Nerf activities, squirt gun/water fights is prohibited.

• Instruments and/or Speakers: Use of amplified instruments in residential community rooms is prohibited. Placement of sound equipment or speakers in windows and common areas of the residential communities without the express permission of DRL professional staff is prohibited.

• Loitering: Loitering is not allowed in front of any residential communities’ entrance or exit and can pose as a fire/safety hazard.

2. Facility & Safety Issues

You are responsible for promoting a clean and well-maintained living environment. It is expected that students will not damage or vandalize university property or remove property from its designated location in the residential communities. You are responsible for promoting and maintaining a safe and secure environment in the residential communities. It is expected that you will not prop open doors and will adhere to fire safety guidelines.

• Balconies, Ledges, and Windows: Furniture, hammocks, and bicycles are not allowed on balconies and residents may not place anything (i.e., furniture, satellite dishes, boxes, signs, etc.) on the roofs or ledges of University buildings. Residence Life staff may remove any object obstructing egress from balconies, ledges, or hallways and charge students for that removal. Students should not remove and/or damage the windows, screens, or window restraining devices in the residence hall rooms, or common areas. Storage on ledges/window sill/trim is not permitted. Throwing or shooting objects from windows or balconies is prohibited. Students may not climb in or out of and hang off of windows or balconies unless it is an emergency. Except in the event of a bona fide emergency, bedroom and common area windows within UAA Housing facilities should never be used as an exit or entrance. Please refrain from leaving windows open during winter months. Students who leave
windows open during the winter may be subject to disciplinary action and/or damage fees.

• **Blocking Egress:** Balconies, hallways, and stairwells must have a clear passage at all times. Hanging of beads, tapestries, banners, flags, sheets, or other items in a manner that blocks egress from the inside of a residential community room is prohibited.

• **Bicycles:** Bicycles may be parked in the racks outside each apartment or residence hall, or stored inside residents’ rooms or in storage areas. For fire safety reasons, please do not park bicycles on sidewalks, in doorways or stairwells, or at the entrances to buildings. Bicycles locked to or parked by any other structure, such as trees, signposts, building entrances, trashcans, or lobbies may be impounded. Bicycles may not be ridden, walked through, or parked inside the Gorsuch Commons. All bikes left on racks, 30 days after check-out is complete, will be removed and donated to various charities.

• **Elevators:** Tampering with or misuse of University elevators is prohibited. This includes, but is not limited to, overcrowding, overloading, jumping in, vandalizing, or tampering is prohibited.

• **Evacuation Procedures:** In the event of a fire alarm or fire drill, all residents must evacuate the building, completely and immediately. Residents must remain outside, 100 yards away from the building in a designated area, until the "all clear" signal has been given by UPD or the Anchorage Fire Department. Interference with or non-compliance with emergency evacuation procedures in a residential community is prohibited. Residents must exit the building within three (3) minutes of the alarm sounding. DO NOT USE ELEVATORS. Please remember to dress quickly and appropriate for Alaskan weather.

• **Excessive Uncleanliness or Necessary Room/Apartment Cleaning:** In the event that a student’s individual room or common space becomes uninhabitable for a suitemate roommate, DRL/UHDSU reserves the right to go into those spaces for cleaning purposes. If these services are necessary, the student(s) will be charged for the cleaning and/or damages as appropriate. In the event that Housing assigns a previously vacant room to an incoming resident in the middle of an academic semester (fall, spring, or summer), all current residents are responsible for reasonable common area cleanliness. Housing reserves the right to clean common areas of currently occupied apartments and suites on behalf of incoming residents, and assess cleaning fees to the current residents of that apartment or suite.

• **Excessive Lockouts:** Repeated lockouts due to not reporting a lost key or choosing not to carry key on self is prohibited. Students who are locked out of their room should go to their area service desk to check out a loaner key or receive a temporary access code/card and should return loaner keys and
cards within 24 hours. Students who require the use of a loaner key or a temporary access code/card or need entrance into the building will have to complete an Emergency Unlock Form. All students must be possession of their room key and UAA ID at all times. The first two lockouts are free of charge, however, any more than that will result in a charge to the student’s Accounts Receivable. The charges are as follows: 3rd Lockout and beyond is $25. After a student has reached their 4th lockout they will be in violation of the CLS and a CLS meeting will be scheduled with a Residence Life Staff member. After 5 or more lockouts you will be referred to the Office of Student Conduct and Ethical Development, and a conduct hearing will be scheduled.

• **Resident Initiated Fire Alarms:** Starting a fire, pulling a fire alarm without due cause, tampering with or disabling smoke detectors, falsely reporting a fire emergency to police or fire department, University administrators, and the unauthorized use or damage done to any emergency or safety equipment, are all prohibited. These are considered serious violations because of the risk they pose to the residential community. Interference with or non-adherence to emergency evacuation procedures in the residential community are prohibited and will be referred to the Office of Student Conduct and Ethical Development. **Templewood and MAC residents**- Please be mindful when cooking as excessive smoke will set off the fire alarms in your apartment. Residents should never leave their cooking unattended. Please do what is necessary to mitigate setting off the detectors. Should your apartment set off the alarm, this may result in a $250 fine (part of cost AFD charges UAA for emergency fire services).

• **Fire Prevention:** Use outside ashtrays and be sure ashes, matches, and cigarette ends are cold before you dispose of them in a trash receptacle. Portable appliances with open coil burners, containers of flammable fuels such as gasoline, kerosene or propane, and gasoline powered engines, are also prohibited in student rooms and common areas. Gas grills or charcoal grills must be used a minimum of 15 ft. from all UAA buildings and cannot be stored within 15 ft. of buildings until they are completely cooled and cleaned. Please refer to the Room Modification and Storage section of this guide for a list of approved appliances. For the safety of our residents, if a recall notice comes to our attention from an organization such as the U.S. Consumer Products Safety Commission for an item that may be used by students in UAA Housing, the student will be asked to comply with the recall by not using the item in UAA housing. The item must be disconnected and stored at a minimum or completely disposed of.

• **Fire Safety Equipment:** Tampering with pull stations, smoke or heat detectors, fire extinguishers, sprinkler heads, or other life safety equipment is prohibited. The Residence Halls, Templewood, and MAC buildings are equipped with automatic sprinkler systems. These sprinklers are provided for your safety and the safety of those around you. Do not tamper with or hang
items from the sprinklers or pipes; it is a fire code violation and may cause the sprinklers to malfunction. Students who tamper with the sprinkler system may be subject to disciplinary action and/or damage fees.

- **Fireplace Policy**
  - *Templewood Fireplaces:* There are fireplaces located in Templewood Apartments. Before using a fireplace, permission is required from the Housing and Residence office, Staff and Residents have to follow the UAA Fireplace Safety procedures. Failure to have Permission, follow procedures or misuse of fireplaces may result in referral to the University Conduct System.

  - *Commons Fireplace:* For safety reasons, the fireplace located in commons must be used with prior permission from the Gorsuch Commons Staff and University Official.

- **Furniture:** All private furniture must be removed at the time of move-out. Furniture left/abandoned in the residential areas will be stored, at the student’s expense, for up to 30 days. After that time period, all remaining private furniture will be disposed, including TVs. University furniture may not be removed from the residence halls or apartments at any time. This includes moving furniture from common areas such as lounges to your room. Storage is available within each apartment and some suites, but not outside of the suites in the residence halls.

- **Hanging Items:** Hanging items that are visible from the outside, internally or externally from your room such as flags, banners, or signs out of or obstructing residential communities’ windows may prohibited. Prohibited items may include things that may be offensive to members of the UAA community. See Civility section of CLS.

- **Illegal Use of Emergency Exits:** Emergency exits are to be used during emergency evacuations only. Any misuse of emergency exits is prohibited.

- **Installations:** Installation of air conditioners, ceiling fans, wall shelves, hanging lamps, or other non-approved items in residential communities’ rooms is prohibited.

- **Keycard/WOLFCard Use and Access:** Delivering, surrendering, or otherwise relinquishing possession of room card to an individual, or permitting the card to be duplicated or modified is prohibited. Students are responsible for access cards and should not lend or permit others to use their UAA ID at any time. This is for your safety and the safety of your fellow residents. After you check into your room or apartment you will be issued a PIN number. The security of your apartment or suite depends on you and your fellow residents. Report lost keys, WOLFCards, PINs or keycards immediately to the UHDCS office at 751-7202. Lost keycards will be replaced at a charge of $25.00 each.
Broken keycards will be replaced via work order at no charge only when an identifiable piece of the original card is turned in to the Housing office. Lost WOLFcards will be replaced at a charge of $10.00 at the WOLFcard Office in the UC or in the Library.

- **Occupancy Regulations:** Students in partially filled rooms or apartments should not occupy the vacant space. Should that space be occupied in the event of inspection or the placement of a roommate, the infringing student will be charged for cleaning of that half of the shared space, and the pro-rated super-single rate for the time the space is occupied.

- **Pets:** Possession of a pet, except for non-poisonous/venomous freshwater fish (in a tank not exceeding 10 gallons) and service animals for persons with a disability, is prohibited. Other pets or animals are not permitted in the residence halls or apartments, including visiting pets. Should an animal be found in a living unit, the animal will be immediately removed from the premises and the resident(s) responsible may be sanctioned under the UAA Student Code of Conduct and will bear all cleaning costs. For questions on approved service animals, see section titled “Accommodations for Students Who Experience Disabilities.”

- **Postings:** Posting materials on bulletin boards or other common spaces without approval is prohibited. University-sponsored and University-affiliated groups may submit materials directly to DRL/UHDCS. Groups and individuals are not permitted to post materials directly to residential community bulletin boards; instead, only DRL/UHDCS staff are authorized to post materials. Materials from non-affiliated groups are not allowed to be posted in the residential communities. Announcements (meetings, birthdays, etc.) using any media (chalk, paint, etc.) on residential community property are prohibited. This includes, but is not limited to: walls and sidewalks. Individuals will be charged accordingly for any damages/clean-up costs incurred as a result of improper posting. Violators will be documented by DRL/UHDCS and posting privileges may be revoked.

- **Posting materials:** Posting materials that are easily visible to the general public that intentionally/unintentionally harm or incite others is prohibited.

- **Prohibited items and Fire Hazards:** Use or possession of non-approved appliances in residential communities’ rooms is prohibited. These items include, but are not limited to: any open flame source or flammable liquid, candles (the use of candles for birthdays or religious purposes is permitted if given written permission in advance), incense, halogen lamps, octopus lamps, kerosene lamps, dartboards, open-coil heaters and cooking elements, waterbeds, hookahs, satellite dishes, grills (indoor and outdoor), hot plate, deep fat fryer, electric griddle, toaster oven, toaster, any item described in the weapons section of the **Student Code of Conduct**. Additionally, posting
(On-Campus Living’s Community Standards, continued)

flammable materials covering more than one third of total surface of the outside of residential communities’ room doors is prohibited. Holiday decorations must not hang from or touch any light fixtures or fire safety equipment. Only three strands of lights can be linked together per electrical outlet, and live holiday trees are not permitted. Decorations should not block doorways or windows. Any organic materials used for holiday decorations (ex. pumpkins/jack-o-lanterns) must be disposed of in a timely manner to avoid damage due to decay. Arrange your furniture and store belongings so that exits, heat vents, or water heaters are not blocked. Do not store bicycles, sporting equipment, unwanted furniture, luggage, etc., in hallways, lounges, stairwells, entrances, or any area that is a means of escape during an emergency.

• **Security:** University keycards and garage door openers assigned to you should be kept with you at all times and never with a friend, in your mailbox, or otherwise out of your possession. Please only enter by those doors, which can be opened by your keycard. Be sure any door you enter, exit, or pass by is closed, latched and locked behind you. Never allow an individual access who is not your guest. Access to residential community living spaces is restricted to residents of a specific residence hall or apartment and their escorted guests. To ensure the safety and privacy of the residential community, UAA Residence Halls (North, East, West) require a 100% ID check for residents and their guests during hall front desk hours. Do not let someone in the building who is not your guest. Even though you may not think it is a big deal, unescorted guests compromise your own safety and the safety of every other resident in the building. Suspicious persons and individuals who cannot explain their presence should be asked to leave and immediately reported to University Police at 786-1120 or a Residence Life staff member.

• **Solicitation Policy:** Solicitation is prohibited within the residential community lobbies, common areas, or door-to-door. Distributing printed materials in the residential communities is prohibited. This includes items (with the exception of emergency evacuation materials) being slid under doorways. Items must be approved by DRL/UHDCS. Items posted are subject to be taken down at the Residence Coordinator’s discretion. If one is interested in posting throughout the building, you must receive written approval from DRL/UHDCS. “No Solicitation” placards are visibly displayed on each building.
  - The following specific activities are expressly prohibited:
    - Conducting a private enterprise, whether legal or illegal including operating a private business using university address or property of any kind.
    - Promotion and/or advertisement of a private enterprise or event.
(On-Campus Living’s Community Standards, continued)

- Door-to-door solicitation within the residence halls or apartment complexes or in public areas without prior written authorization from the Residence Life office. Posting is permitted on public use bulletin boards located in the Main Apartment Complex stairwells, laundry room, mailrooms, and the Gorsuch Commons. Prior approval is required from a Residence Life or UHDCS professional staff member. All approved postings will bare the On-Campus Living approval stamp, which will include a date that the posting is allowed to go up, and the date that it will need to come down.

- **Trash Regulations:** Failure to remove trash and/or recycling to designated trash containers is prohibited. This includes disposing of cigarettes ends not in designated area ashtray or in non-designated areas.

- **Trespassing:** Attempting to gain access or trespassing in a residential community when closed for break periods is prohibited.

- **Unauthorized Access and Use of Common Areas:** Students are prohibited from entering restricted access areas unless specifically authorized to do so by Residence Life Staff. These areas may include, but are not limited to: community front desks, roofs, attics, staff apartments, or machine/storage rooms. Forced or unauthorized entry into any residence halls or residents’ room is prohibited, as well as entering a bathroom designated for the gender/sex. Formal group activities in common areas without proper authorization from Residence Life Staff are also prohibited. Common lounges and study lounges may be reserved through the Residence Coordinator of that area.

- **Unauthorized Room Change:** Moving to a residential community room without the written approval from a DRL/UHDCS administrator is prohibited.

- **Weapons Storage:** The University provides a gun safe for residents to store all legal firearms. Storing a weapon anywhere in the residential community is prohibited, except in the gun safe or in a locked vehicle. University police supervise registration of weapons and provide 24-hour access to the gun safe. Call the **University Police** non-emergency line, **786-1120**, for access. The following weapons are prohibited in UAA’s residential community: sporting or hunting knives, spears, swords, sling shots, bows and/or arrows, nunchucks, potato cannons or guns, ammunition, Taser/stun guns, BB guns, and all CO2 or compressed air weapons, and other dangerous devices including fireworks. Alaska state law prohibits the possession of butterfly knives, brass knuckles, and switchblades.

- **Wildlife:** UAA’s residential community is surrounded by wooded areas, a creek, and protected wetlands. We often have the unique opportunity to witness up close, various species of wildlife including moose, ducks, geese,
and beavers. Please respect our coexistence with these and other creatures that may visit. Do not pet, feed, or approach any of these animals for any reason. Moose, especially mothers with a nearby calf, have been known to charge. Feeding animals disrupts their search for food and endangers their survival. Enjoy our unique setting from a safe distance, but please do not disturb the animals. Examples of prohibited behavior include, but is not limited to: touching, petting, feeding, inciting, etc.

- **Window Screens:** Intentionally removing screens from windows is prohibited. For your safety, residence hall window screens must remain in place at all times. Costs to replace missing or damaged screens range may be assessed. A maintenance request form should be completed if your screen has blown off. Screens will be replaced depending on availability.

- **Vacating Residence Halls:** Residents must vacate their residence hall room according to the posted schedule. It is expected that students evacuate the building no later than 24 hours after their last final exam, or building closure time set forth by Residence Life Staff, at the end of each semester/year (whichever is sooner). A fee will be assessed (Late Checkout Fee) to residents if not checked out in the proper manner. An additional fee will be assessed to residents if they have not vacated by the scheduled closing of the residential community. Please contact your Residence Life Staff if you have questions about vacating your room. This includes students that withdraw from the University or are placed on residential probation.

- **Vandalism:** Residents should take proper care of their building and its furnishings. The preservation of student housing units is the joint responsibility of all roommates assigned to a specific suite or apartment, and all residents assigned to a specific building or residence hall. Vandalism will bring disciplinary actions. Students witnessing any act of vandalism and/or who may know the identity of the responsible person(s) should notify a Residence Life staff member. Examples of vandalism include, but are not limited to: water fights, removal or destruction of peepholes, tearing, burning or removal of posters or bulletin board displays, public urination/defecation, tampering with door or window locks or any other damage to University or personal property. Housing and Residence Life reserve the right to assess residents collectively or individually for any vandalism to the buildings, grounds or furnishings. Pranks that result in disturbances or distress to others, or cause damage to University or personal property (or those that foreseeably could have caused damage, disturbance, or distress) are prohibited.

### 3. Civility

You are responsible for respecting the rights of all others in the residential community and acting with civility at all times. Civility means demonstrating mutual respect for all individuals on campus. This is inclusive of the interactions between
students, student staff, and University administrators. Fighting, threats, and intimidation of any person for any reason will not be tolerated. You are responsible for developing and maintaining an atmosphere that promotes social awareness, social appreciation, and appreciation and support of those who may be different from you. It is an expectation that you actively participate in conflict resolution. You are responsible for attending floor/hall meetings as set forth by your Residence Life staff. All members of campus communities are expected to fill out/review roommate agreements at the beginning of each semester. Your living arrangement decisions affect you and your roommates. We encourage you to consider and respect the feelings, attitudes, safety, welfare, and interests of others. The opportunity to interact with residents of different ages, abilities, ethnic backgrounds, sexual orientations, and religious affiliations is a strength of our community. It is important to avoid infringing upon others’ rights and equally important to stand up for your rights.

Repeatedly disrupting others’ free exercise of academic or personal pursuits, or their ability to sleep or study is a Residence Life policy violation. Examples may include: frequent phone calls, disrupting others during quiet hours, failing to relay telephone messages to roommates, or failing to perform agreed upon cleaning. If you are not able to resolve the problem by speaking with your fellow resident, please bring these issues to the attention of your Resident Advisor or Residence Coordinator.

- **Confidentiality:** Although Residence Life staff members may form bonds with students residing in the residence halls, any information presented to a Residence Life staff member relating to the violation of University policy and/or the threat/harm to oneself or another member of the University community must be reported to the Residence Life staff member’s supervisor.

- **Discriminatory or Inflammatory Language:** Residents are to refrain from using discriminatory or inflammatory language, including, but not limited to: online, telephone, verbal, non-verbal, or written communications with the intent to harm or incite.

- **Failure to Comply:** Residents must comply with any lawful order or reasonable request of a clearly identifiable University official/Campus Safety Authority acting in the performance of his or her duties in the enforcement of University policy. Residents must present their WOLFcard upon request of a University official (in appropriate situations). These requests are expected to be honored. Failing to follow published administrative procedures, such as snow removal or the intention processes, is a violation of your housing agreement. Campus Safety Authorities include, but are not limited to: University Police, Department of Residence Life (DRL) professional staff, Housing (UHDCS) professional staff, DRL student staff (RAs, PMs, PAs, Desk Assistants), UHDCS student staff (Maintenance, Housing Resource Assistants).

- **Furnishing False Information:** Residents must disclose, to the best of their knowledge, full and truthful information to University officials. Residents shall not withhold information or present false information with the intent to
(On-Campus Living’s Community Standards, continued)

deceive, including but not limited to: names, dates and times, location or number of residents or guests, location, consumption, or possession of illegal, prohibited, or controlled substances, WOLFcards or numbers, telephone numbers, addresses, emergency contacts, or allergies.

- **Inciting or participating in a fight or riot:** Residents shall not incite or participate in a physical fight, or riot regardless of reason. Fighting is defined as, but not limited to: inciting a fight through physical, online, sexual, telephone, verbal, non-verbal, or written communications; or fighting through hitting, striking, slapping, kicking, throwing or shooting an object; or contacting or attempting to contact any other person with the intent to harm.

**Intimidation, Harassment, Bullying, and Threats of Violence:** Residents, students, DRL/UHDCS staff, and any other person should be able to learn, work, and live in an environment that is free from all forms of intimidation, harassment, bullying, and threats of violence, including, but not limited to, physical harm or threats of physical harm, via online, telephone, verbal, non-verbal, and written communications. Behavior violating this provision is also prohibited by the [Student Code of Conduct](#) and/or UAA’s [Equal Opportunity, Harassment and Anti-Discrimination Policy](#).

- **Interference with University Official(s):** Interfering with University officials in the performance of their duties, failing to comply with staff directives, or preventing or attempting to prevent staff from conducting their administrative or disciplinary responsibilities is also prohibited and a violation of Residence Life policies.

- **Joint Responsibility:** Students are responsible for the actions of people in their residence hall room. If a student is present in their own or any other residence hall room or area where university policies are being violated, they are subject to the same disciplinary action as the resident of that room. In some situations, this may also include violations that occur within an adjoining room in a suite, regardless of whether or not the student is present in the room in which the violation(s) occurred.

- **Noise:** Quiet hours are from 11:00 pm--8:00 am Sunday through Thursday and 1:00 am--10:00 am Friday and Saturday. Courtesy hours are 24 hours a day, 7 days a week. 24 hour quiet hours go into effect during final exam periods. Creating excessive noise which is disruptive to other students both inside and outside of residential communities is prohibited. Noise may be deemed disruptive if it can be heard through a closed door and/or two doors down. Excessive noise at any hour is unacceptable and at no time should amplified sound or yelling be directed out of or towards residents’ windows. Reasonable quietness in areas near residence halls must be maintained. Students must respond positively and courteously to requests to reduce noise and to respectfully approach others with requests for noise reduction.
(On-Campus Living’s Community Standards, continued)

• **Sexual Misconduct:** See *Student Code of Conduct*.

• **Stalking:** Residents shall not stalk any other person physically, online, by telephone, verbally, non-verbally, in written communications, or any other manner. Stalking is defined as, but not limited to: the intentional, unwanted, repeated contact or attention by the stalker to the victim. Residents must honor other's requests to stop undesired contact.

• **Theft:** Residents shall not take or possess another's property without permission of owner. This includes, but is not limited to: property of a roommate, resident, any other individual, company, or the University.

• **Violation of University Policies and Government Laws:** Residents must follow all university policies, city, parish ordinances, and state and federal laws.

4. **Substances**

You are responsible for upholding federal, state, and local laws dealing with alcohol, tobacco (smoking is not permitted in any residential communities outside of designated smoking areas) and other drugs. Alcohol is not permitted for students less than 21 years of age, and illegal drugs are not permitted for anyone within the on campus communities.

• **Alcohol Distribution:** Sale or distribution of alcohol by a person to another person is prohibited. Sale of alcoholic beverages on campus, including indirect sales is prohibited.

• **Alcohol in Common Areas:** Possession or consumption of alcohol in common areas of residential communities is not allowed, including but not limited to: lounges, hallways, stairwells, balconies, laundry rooms, bathrooms, study areas, and courtyards.

• **Alcohol Policy:** See *UAA Residence Hall Alcohol & Drug Policy* as defined in the *Student Code of Conduct*

• **Common Sources of Alcohol:** Use of common sources of alcohol, including but not limited to kegs, party balls, and punch bowls is prohibited.

• **Drinking Games:** Playing drinking games within residential communities is prohibited. The definition of drinking games includes but is not limited to: the consumption of shots of any liquid, the practice of consuming shots equating to one’s age, “beer pong”, “century club”, “dares” or any other activity involving the consumption of water, alcohol or any other liquid which involves duress or encouragement related to the consumption of alcohol or water.
• **Drugs:** See [UAA Residence Hall Alcohol & Drug Policy](#) as defined in the [Student Code of Conduct](#).

• **Drug Paraphernalia:** Possession of paraphernalia for intended or implied use of controlled substances or paraphernalia possessing illegal drug residue, including but not limited to devices and/or materials used to prepare, use, or cover up the use of drugs is prohibited. (ex: glass pipes, hookahs, etc.)

• **Smoking Tobacco, E-/Electronic Cigarettes/E-/Electronic Hookah:** Smoking is not permitted inside any residence hall or apartment. Smoking outdoors is not permitted within 30 feet of any residential building, including stairwells, and waste must be disposed of in proper receptacles. Smoking in residence hall or apartment rooms or common areas will result in cleaning fees being assessed to student accounts.

• **Underage Usage of Alcohol:** The purchase, possession, consumption, or disruptive behavior due to public intoxication, of alcohol by a person under the age of 21 is prohibited. No one over the age of 21 is allowed to have alcohol that is accessible to any person under the age of 21. Alcohol paraphernalia is also prohibited.
