

UAA CAMPUS SAFETY COMMITTEE

The UAA Campus Safety Committee meets periodically throughout the academic year.

Serves as an advisory body to the Chancellor and the University Police, regarding issues pertaining to institutional and personal safety on UAA's campuses.

Provides periodic reports to the campuses, on campus safety awareness and other matters of concern, or recommendations for improving safety on UAA's campuses.

Encourage accountability for safety awareness by:

- Recommending the funding needed to address new and existing safety programs and needs.
- Reorganizing campus safety improvements through commendations and awards.
- Facilities sharing of safety-related information.

Develops and submits reports assessing and summarizing the campus safety record and recommending improvements.
