Rental Equipment is available to UAA students, staff, faculty, and card carrying Alumni. A valid UAA ID card is required. Each person may rent up to two pieces of the same kind of equipment at any one time, depending upon availability.

Reservations may be made up to two weeks in advance. A full deposit is required and will be forfeited if the reservation is cancelled less than 24 hours before the rental is to begin.

Rental Charges and the full deposit must be paid at the time of rental. A rental day is 24 continuous hours. A rental weekend is from noon Friday to no later than noon on the following Monday (except for University holidays).

Liability: The renter is responsible for checking to see that all equipment is complete and in safe working order. Renters use all equipment at their own risk.

Returns will only be accepted during posted hours. Persons returning equipment late may be charged the daily rate for each day, including partial days. The deposit may be applied to cleaning, repair, lost rental income, and/or replacement costs of equipment at the discretion of Student Union staff.

Due to liability reasons that Student Union staff will no longer be assisting in the loading and unloading of canoes or kayaks onto vehicles. All responsibility for tying the boats down is solely the renters.
