

DAIP Subcommittee Progress Report

May 2019

Subcommittee/Objective Name: Objective 6: Community Campus

Academic Year 2018-2019 Information

Members:

Diane Taylor (Chair)

Kimberly Pace

Renee Carter-Chapman

Cherise Beatus

Adelina Rodriguez

Sandra Chichenoff

Goals set for the year:

1. Craft a Charter for the subcommittee
2. Secure representation on the committee from all community campuses
3. Establish regular committee meetings via audioconferences
4. Examine ways to enhance communication among the community campuses and UAA
5. Discuss long-term goal of establishing Community Campus Diversity Action Councils (CCDAC), at each community campus

Summary of progress to goals:

1. A charter for the subcommittee was drafted and submitted;
2. There is now representation from each community campus on this subcommittee (February 2019);
3. Regular meetings were held throughout the academic year beginning in November 2018 through May 2019 (Minutes are attached);
4. Progress continues on this with the implementation of a Google Doc, shared by all committee members, to inform each campus of events and efforts to support the DIAP;
5. The long-term goal of establishing a DDCAC will be revisited in the fall 2019. The first step will be to construct a shared job description all campuses can use to recruit individuals to serve on the CCDAC.

Challenges identified:

There may be some questions regarding how the subcommittees will interface (if they do) with the other DIAP subcommittee work, and the larger efforts at UAA to implement the DIAP. There was a lot of interest in being more involved with the DAC at the UAA campus.

Other outcomes/information/questions the committee work raised:

Any recommendations regarding the objective, or the DAIP process itself?

We look forward to working with the CDO once that individual is in place.

What would you like the new incoming Chief Diversity Officer to know about the DAIP?

The minutes will bring whomever up to speed on what this subcommittee has been doing up to this point.
