Discounted Closeout Computers

Order now! Limited stock available!

Spring 2025
uaa.alaska.edu/bulk-buy

With new 2025 models on the way, we've secured deep discounts on current computers. Get fast, reliable tech built to last—at the best prices of the year.
Act now before inventory runs out!

Why Buy Through the UAA/GCSIT Computer Purchasing Portal?

⇒ **Instant Quotes** – Quickly generate quotes for fast purchasing approval.

⇒ **Fast , Easy Ordering** – Place orders directly through GCSIT for faster processing and delivery.

⇒ **Built to Last** – UAA-approved business-class computers feature high-quality components with a 5+ year lifespan.

⇒ **5-Year Warranty** – Dell computers and monitors come with a 5-year parts and labor warranty.

⇒ **On-Site Support** – UAA Field Services is an Authorized Tier 2 Dell Repair Facility— most warranty work can be done right on campus.

⇒ **Education Discount Pricing** – Self-service access to education pricing and special discounts.

Program Details

- Open to UAA MAU departments and other UA units located in the Anchorage area. ***For business use only, no personal orders.***

- Individual placing order is responsible for verifying their department's purchasing approval.

- Equipment ordered via the Computer Order Portal is paid for by the department using a ProCard or PO.

- $25 computer provisioning fee for individual standard computer imaging.

- $120 desktop imaging charge per computer for classrooms and open lab computers. **Charge includes computer provisioning fee.**

- No model substitutions available.

- End of year computer closeout models and their pricing are limited in availability.

- Note: Depending on age of computer and/or monitor, additional video cables may be required.

How to Order

1. Get approval from your Manager and Fiscal Tech before you place an order.
2. Visit shop.gcsit.com and click UA Authentication to sign in.
3. Select your desired equipment and generate an instant quote.
4. Pay via ProCard or PO.
