Action Items from Last Meeting (2/7/25):

- Before the 2/21 meeting, each AAC member will choose 2-3 assessment reports from the [Program Student Learning Outcomes Assessment](#) website to review and think about where UAA is relative to [NWCCU Standards 1.C.5-7](#).
- All of the scheduled assessment plans were recommended for approval. Minor changes for the Social Work BSW assessment plan will be submitted to Academic Affairs.
 - *Continuous Improvement Example:* The Social Work BSW Area Concentration Achievement Test (ACAT) was removed because it didn't support Mac users, and that was a problem for students' access and completion of this exam. Thus, the program is using the Social Work Education Assessment Project exam and alumni exit survey.
