**Action Items from Last Meeting (April 3, 2026):**

*The following Assessment Plans were reviewed and approved.*

- **BA/BM Music:** The program assessment process is rigorous and includes reflection, discussion and application of findings in decision making. Recommendations were made to edit the plan's Assessment Process section to reflect this, and clarify where core competencies are assessed, since they are listed in the plan.
- **MS Dietetics & Nutrition:** This is an impressive plan, aligned with accreditors' requirements.

**Other Action Items**

- Committee members will review the assessment plan and report for a program linked to on the [UAA Program Student Learning Outcomes Assessment website](#) to assess how it meets [NWCCU Rubric for Student Learning 1.C.7](#).
- AAC will explore AI in the Assessment reporting process. See Stony Brook University's "[Leveraging AI in Program Assessment](#)" as example.
