Re: Creation of an ad hoc committee for Internationalization

On October 7, 2016 the Faculty Senate approved the proposal to an ad hoc committee for Internationalization with the following goals:

- i. Conduct a feasibility study regarding an International Summer Business Institute for high school/students and/or professionals.
- ii. Have meetings with international faculty/department chairs to discuss any issues pertinent to international faculty.
- iii. Identify issues concerning international students and find consensus to address them.
- iv. Study the feasibility of organizing a "Festival of Nations" on campus in the spring to bring together campus community as well as external constituency.

If I may be of further assistance, please let me know.
