Re: Cross-listed courses

Dear Provost Gingerich:

It has come to the Graduate Academic Board's and Undergraduate Academic Board's attention that students signing up for one offering of a cross-listed course may be charged differing tuition or super-tuition and differing course fees. The tuition and fees differ based on the prefix of the section in which they enroll. This is due to unequal fees and tuitions across colleges and programs. We find this to be unfair to students enrolled in these cross-listed courses. Students have contacted their instructors and the Registrar's Office when, partway through the semester, students in the more expensive prefix discovered this and asked to transfer to the cheaper prefix.

It is unclear to us as to who within the university would have the authority or responsibility to resolve this issue. We would appreciate any input you might provide as to how this problem might be resolved.

Thank you for your time and consideration.

Sincerely,
