

On December 9, 2016 the Faculty Senate Executive Board approved the following motion:

The UAA Faculty Senate Executive Board direct the audio of the December Faculty Senate meeting be posted in whole in order to have the full record of the meeting available to faculty as soon as possible.

All UAA Faculty Senate meetings are recorded to facilitate the production of accurate meeting minutes.

We have received numerous faculty requests for access to the recording of this particular meeting. We believe the information discussed was of critical importance to faculty governance and faculty work, and are therefore making the recording available.

This recording does not replace the official minutes of the December meeting, which will be considered for approval at the February 2017 regular meeting.
