Subject: Proposed Changes to Language Credit by Placement

In order to align the Languages policy with other credit for prerequisite not taken policies, the Department of Languages proposes the following adjusted policy:

Credit for Prerequisite Not Taken: Languages

An accepted degree-seeking UAA student who has completed one of the Department of Languages UAA catalog courses (A102-A301) in residence with a grade of C or higher is eligible to receive credit for the two immediately preceding courses, if any, up to a total of 8 credits, not to exceed the level of A202. **Language Credit for Prerequisite Not Taken** is limited to one time per language. This policy does not apply to credit earned through other **nontraditional credit procedures**, nor to special topics (-93), independent study (-97), the course A302, or Department of Languages literature or culture courses.

To receive this credit, students must submit the appropriate form to the Office of the Registrar and pay an administrative fee to have the credit applied to their transcript.
