Re: Revised Placement Scores for COMM GER classes

In response to recent and forthcoming revisions to national tests, the English and Writing faculty have recently proposed the following changes to UAA's minimum placement scores, to be effective Fall 2018.

In an effort to keep the Tier 1 Communication course prerequisites in line with the Tier 1 Writing prerequisites, the Communication Faculty propose the following changes to UAA's minimum placement scores, effective Fall 2018

	Accuplacer Next Generation	ACT English	SAT Evidence-based Reading and Writing
COMM 111	Writing: 265 Reading: 265	22	560
COMM 235	Writing: 265 Reading: 265	22	560
COMM 237	Writing: 265 Reading: 265	22	560
COMM 241	Writing: 265 Reading: 265	22	560

Additionally, since Communication placement scores don't expire, UAA should continue to honor our current "Accuplacer Classic" scores. Both sets of Accuplacer scores, new and old, are aligned statewide, per Board of Regents policy.

Please let me know if you have any questions.
