Re: Evaluation of Non-tenure Track Unit Member and Merit Pay Adjustment Taskforce

On November 7, 2014 the Faculty Senate approved the formation of an Evaluation of Non-tenure Track Unit Member and Merit Pay Adjustment Taskforce to develop an evaluation process that is "separate and distinct from that of tenure track and tenured unit members" per section 9.2.7 of the UNAC collective bargaining agreement. This taskforce will also determine rules and procedures for non-tenure track unit members to qualify for a merit adjustment to base salary per section 15.6.3 of the UNAC collective bargaining agreement. As per the Faculty Senate Constitution, Article V, Section 8, members on this committee will be appointed by the Faculty Senate President. The taskforce will complete their charge and submit their materials and recommendations to the Faculty Senate by March 31st, 2015 to be included in the April agenda.
