- Acting as a consultant for OAA, the Registrar's Office, Faculty Senate, or any other university offices or individuals who may have questions about graduate curriculum and policy matters.

International Graduate Students

International students who intend to reside in the U.S. for the purpose of pursuing a certificate or degree as F-1 visa students and need a form I-20 Certificate of Eligibility for Non-immigrant F-1 Student Status must meet university and degree program admission requirements and submit the following:

- Official TOEFL (minimum score of 79-80 IBT) or IELTS (minimum score of 6-6.5) scores, completed within the last two years and sealed by the issuing agency. International students may request an exemption from the language exam requirements if they:
  - are a native speaker of English or if English is their first language, or
  - have earned a bachelor’s or master's degree from a regionally accredited U.S. institution.

Alternate documentation of English proficiency may be considered on a case-by-case basis and approved by the program faculty and dean of the college.

The University reserves the right to require additional English proficiency evidence, even from those who are eligible for an examination exemption.

- A notarized affidavit of financial support from the student or the student’s financial sponsor and documentation of financial resources to cover one full academic year of study.
- A completed Admissions Agreement for Prospective F-1 Students.

Students who earned their baccalaureate degree outside the U.S. or English-speaking Canada must submit an international credential evaluation from the WES ICAP Course-by-Course Evaluation Service, stating that they have earned the equivalent of a U.S. baccalaureate degree. Evaluations should be sent directly to the UAA Office of Admissions, P.O. Box 141629, Anchorage, AK 99514-1629.

- Students who have earned multiple bachelor degrees or already hold an advanced degree should contact the program to which they are applying to determine if a WES ICAP is needed for all institutions attended. In some cases, an evaluation only for the previous study most relevant to their UAA program will be needed. These decisions are made by the program faculty and approved by the dean of the college.

Students transferring from other institutions in the U.S. must also complete and submit the F-1 Transfer Eligibility Form.

International students in F-1 visa status must be formally admitted, full-time, degree-seeking students. Health insurance is mandatory. Visit the International Student Services website for details and forms.

Reinstatement to Graduate Degree-Seeking Status

Students who have been removed from graduate degree-seeking status for failure to undertake continuous registration or failure to make continuous satisfactory progress toward a graduate degree as determined by the program indicated by the Annual Report of Student Progress or by their student record, must re-apply for reinstatement for graduate study and pay the appropriate fee after one calendar year from the semester in which they were removed. When re-applying for reinstatement to their graduate degree program for graduate studies, it is the student’s responsibility to demonstrate ability to succeed in the graduate program. Readmission may be conditional on maintaining minimum academic standards within the first semester of study; the student will be in probationary status for their first 9 credits after returning to graduate studies.
