    a. Senior Vice Provost for Academic Affairs & Institutional Effectiveness
        Susan Kalina
        NWCCU Standard 1.C.3 The institution awards credit, degrees, certificates, or credentials for programs that culminate in achievement of program learning outcomes that demonstrate an appropriate breadth, depth, sequencing, rigor, and synthesis of learning.

        NWCCU Standard 1.C.9 The institution's graduate programs are consistent with its mission, are in keeping with the expectations of its respective disciplines and professions, and are described through nomenclature that is appropriate to the levels of graduate and professional degrees offered. The graduate programs differ from undergraduate programs by requiring, among other things, greater: depth of study; demands on student intellectual or creative capacities; knowledge of the literature of the field; and ongoing student engagement in research, scholarship, creative expression, and/or relevant professional practice.
