2018-2019 Graduate Course Purge List Responses

ANTH A690	Retain per Kristen Olgilvie	There is a one class on the purge list that we would like to request be removed. ANTH A690 is listed; we have it right now in the CIM system with revisions to support a curriculum update our department has initiated. It will be stacked with A490 and offered periodically.
CE A626	Retain per Rob Lang	This course was developed and taught by a faculty member who left the program. The department is in the process to hire a new faculty member in the same specialty area who can activate the offering of this course.
CE A634		We would like to keep CE A634 and adapt the consent to align with a similar UAF course.
CE A647		The last two scheduled offering times were missed due to research buyout and Professor Aaron Dotson's sabbatical. It will be taught per our four-year schedule unless further circumstances arise. There is only a single faculty in this discipline and out of discipline alternatives were provided for prior lack of offering.
CTE A695	Retain per Tara Smith	CTC would like to request retention of CTE A695 Internship. Although the graduate programs that it used to be a part of have been deleted, CTC is still evaluating the need for specific courses and would like to retain the option for graduate projects/experiences that this course provides.
EDFN A631	Retain per Paul Deputy	The College of Education wishes to retain the following course and asks that they not be purged. These courses meet the requirements of our programs and we intend to offer them in the future.
EDRS A668		
PSY A601 PSY A603 PSY A605 PSY A606 PSY A616 PSY A617 PSY A658 PSY A671	Retain per James Fitterling	See attached memo
SWK A641	Retain per Mary Dallas Allen	The course SWK A641 Child Trauma is on the 2018 course purge list, but the UAA School of Social Work MSW program would like to retain this course. Although it has not been taught since summer 2011, we do anticipate offering it again in the near future. Course content on childhood trauma is essential for MSW students, especially those who are interested in social work practice with children and families. Thank you for considering this request.

Section 8 - Policy Additions and Changes

New or revised academic policies are proposed to the UAB/GAB. If approved they will be forwarded by the Governance Office to the UAA Faculty Senate, then to the OAA, and finally to the Chancellor's Office. UAA Proposals should include:

1. Proposed policy language (include catalog copy in Word using the track changes function if policy is revised).
2. Documents in which proposed language will be inserted (catalog, curriculum handbook, etc.).
3. Proposed implementation date.

Upon recommendation of the Provost, the Chancellor reviews and acts on academic policies.

Proposed Language (significant revisions made the use of Track Changes impractical)

When approved or disapproved, the Governance Office forwards them to the UAA Faculty Senate, then to the OAA, and finally to the Provost's and/or Chancellor's Office as appropriate. Initiators of policy additions and changes are required to consult and coordinate with stakeholders, e.g., impacted program faculty and students, appropriate offices, e.g., OAA, early in the development and review process and prior to submission at UAB/GAB. New and revisions to policy proposals to be reviewed by the UAB/GAB require a cover letter and the proposed policy language.

1. In the cover letter, address the following as applicable:
 - a. Need and/or issue that the proposed policy addresses
 - b. Rationale for the proposed policy
 - i. Other solutions considered
 - ii. Practices by peer and aspirational institutions
 - iii. Related studies published in the literature
 - iv. Coordination with stakeholders and administration, feedback, and related changes made to the proposed policy
 - c. Governing policies (e.g. NWCCU Policy, BOR Policy, and UAA Policy)
 - i. Conflicts with governing policies and plan to address the conflict
 - ii. Redundancy with any current policies
 - d. Current and foreseeable impacted practices
 - e. Plan to implement the policy
 - i. Communication
 - ii. Training
 - iii. If new, where the policy will appear
 - iv. Body or office responsible for administering the policy
 - v. Anticipated exceptions to the policy and the plan for granting exceptions
 - f. Resources required (personnel, space, etc.)
 - g. Implementation date
 - h. Other considerations
2. Proposed new or changes to policy language
 - a. Use language consistent with existing, especially governing, policies
 - b. For changes to existing policy, include the policy language changes in a copy of the Word document using the Track Changes function
 - c. For new policy, include the document(s) or links to documents in which the proposed language will be inserted (catalog, curriculum handbook, etc.)

New and changes to policy proposals, including the cover letter and policy language, must be sent to the Governance Office at least 5 working days before being considered by UAB/GAB. All new and changes to policy proposals require a first and second reading by the UAB/GAB.

A coordination email must be sent to the Faculty Listserv (uaa-faculty@lists.uaa.alaska.edu) at least 10 working days before being presented at UAB/GAB and in the same academic year as the presentation to the UAB/GAB. The coordination email must contain the following information:

1. Proposed new or change to policy title:
2. Policy language (If a change to current policy, a Word document using the Track Changes function):
3. Where the policy currently appears or will appear:

4. Implementation date:
5. Board(s) to review the policy: UAB/GAB
6. Initiator to whom feedback and questions should be directed:
7. Optional suggested other considerations (Rationale, identified stakeholders, impact, etc.):

Subject: Modification of Graduate Catalog – Project Review Policy

WHEREAS, the University of Alaska Anchorage (UAA) Graduate Council acts as a council of advisors to the Dean of the Graduate School providing recommendations to be considered for adoption.

WHEREAS, the UAA Graduate Catalog of section of concern currently states has no existing content on the proposed policy

WHEREAS, changes are required to the existing catalog describe project review in a similar manner to thesis review.

NOW, THEREFORE, THE GRADUATE COUNCIL RESOLVES:

The Graduate Catalog section shall be revised to:

Project Review

Before final acceptance, all members of a student's project committee, department/program chair/director, and college dean must approve a project as required by the student's graduate program. Changes or corrections to the project may be required at any of these levels. The project committee is primarily responsible for project evaluation, grammar, punctuation, and usage, but the department chair/director and college dean will conduct reviews to monitor the quality of projects and check for any overlooked errors. Students should check with their programs for required formatting. Ideally, formatting checks should be made before the defense of the project. In addition, the college dean will review projects and will not give final approval until all required corrections are made. Project credits will be given a deferred grade (DF) until all requirements are met.

Subject: Modification of Graduate Catalog – Reinstatement Policy

WHEREAS, the University of Alaska Anchorage (UAA) Graduate Council acts as a council of advisors to the Dean of the Graduate School providing recommendations to be considered for adoption.

WHEREAS, the UAA Graduate Catalog of section of concern currently states:

Reinstatement to Degree-Seeking Status

Students who have been removed from graduate degree-seeking status for failure to undertake continuous registration or failure to make continuous progress toward a graduate degree as indicated by the Annual Report of Student Progress must re-apply for graduate study and pay the appropriate fee after one calendar year from the semester in which they were removed. When re-applying for graduate studies, it is the student's responsibility to demonstrate ability to succeed in the graduate program. Readmission may be conditional on maintaining minimum academic standards within the first semester of study

WHEREAS, changes are required to the existing catalog due to current language being confusing.

NOW, THEREFORE, THE GRADUATE COUNCIL RESOLVES:

The Graduate Catalog section shall be revised to:

Reinstatement to Degree-Seeking Status

A graduate student who fails to register for at least one graduate or 400-level credit per semester as listed on their official Graduate Studies Plan (GSP) for two consecutive semesters; voluntarily withdraws from the program; or fails to obtain an approved Leave of Absence will have to apply for Reinstatement before resuming graduate studies. Students seeking re-enrollment in multiple degree programs must file a reinstatement application for each program. Eligibility for Reinstatement is only valid up to 6 semesters, inclusive of summer semesters, beyond the last semester of attendance. If beyond 6 semesters, the student must apply for graduate studies with a new Graduate School application to the program.

To be considered for reinstatement, a student must be in good standing (with a cumulative GPA of 3.0 or higher) during their last semester of attendance and pay the fee for reinstatement.

The decision to approve or deny reinstatement into the original degree program is made by the student's home department. Departments are not obliged to approve reinstatements of students. Decisions may be based on the applicant's academic status when last enrolled; activities while away from campus; the length of the absence; the perceived

1 potential for successful completion of the program; the ability of the department to
2 support the student both academically and financially; as well as, any other factors or
3 considerations regarded as relevant by the department or program.
4

5 International students should contact UAA International Student Services regarding
6 information about F-1 and J-1 federal regulations. Students should allow approximately
7 6 weeks for processing before requesting reinstatement to their program.
8

9 Reinstatement does not negate the policy which requires that all credits counted toward a
10 master's degree, including transfer credits, be earned within a consecutive seven-year
11 period prior to graduation, and for all credits counted toward a doctoral degree, including
12 transfer credits, be earned within a consecutive 10-year period prior to graduation.
13

14 Passed and approved by the University of Alaska Anchorage Graduate Council on this 16th day
15 of February 2018.
