Re: Reinstatement Policy

Issue:

Current policies and processes for Academic Disqualification and Reinstatement are complicated, cumbersome, and not in line with best practice.

- In fall 2016, 172 students were academically disqualified at UAA (all campuses). Of these- 59 chose to enroll in spring 2017 courses (34%). Students attempted an average of 9.5 credits and successfully completed an average of 4 credits with an average GPA of 1.01.
- In spring 2017, 265 students were academic disqualified at UAA (all campuses). Of these- 21 chose to enroll in summer courses. Students attempted an average of 5.7 credits and completed 3.3 credits with an average GPA of 1.12.

Review:

After looking at academic standing policies and processes surrounding reinstatement at a number of institutions I have found common themes:

- Students are required to stop attending the university for at least one term.
- After a period of separation, students may apply for reinstatement.
- Reinstatement applications include statements regarding tools which will be in place to ensure future success, require advising as a condition of return, and may limit the number of credits a student may take upon their return.
- Students who after reinstatement again fall below a 2.0 are again removed from the university for a longer period of time.
- Students who are not reinstated within 2 years of their removal will need to reapply for admissions with the university.

Proposal:**Academic Disqualification**

Academic disqualification is the status assigned to a student who begins a semester on academic probation or continuing probation and fails to earn a semester GPA of 2.00 or higher. The student's admission status will be changed to inactive and he or she will not be allowed to attend UAA for one academic (fall or spring) semester. After non-attendance for one semester, he or she may complete a form for reinstatement.

Reinstatement

An academically disqualified student may submit a request for reinstatement after not attending the University of Alaska Anchorage for one semester. The student should complete a form for reinstatement which includes a plan for academic success. This form must be reviewed and approved by an academic advisor. Completed reinstatement forms must be submitted to the Office of the Registrar at least 4 weeks prior to the first day of the semester for which a student wishes to be reinstated. An academically disqualified student must successfully be reinstated within two years of disqualification or he or she will need to reapply for admission.

If reinstatement is granted, the student will remain on probation and be required to meet with an advisor prior to registering for classes until their cumulative GPA is 2.0 or above. Students must achieve a term GPA 2.0 or above for each term. Students who are reinstated who achieve a term GPA of below 2.0 will again be disqualified and will not be allowed to attend UAA for one academic year.

Institutions reviewed: University of Nebraska- Omaha, Columbus State University, Indiana State University, Boise State University, University of Michigan- Dearborn, Wichita State University, University of West Florida.

UAF:

Undergraduate students — Undergraduate students on probation whose semester and cumulative GPA fall below a 2.0 for two consecutive semesters will be placed on academic disqualification. Academically disqualified students may continue their enrollment at UAF only as nondegree students, are limited to 10 credits per semester and are ineligible for most types of financial aid.

To be eligible for readmission to an academic degree program, the student must:

1. Achieve a 2.0 cumulative grade point average by repeating courses previously failed at UAF and reapply for admission, or
2. Complete 9 credits for a baccalaureate or associate program, or 6 credits for a certificate program, with a GPA of 2.0 or higher. The courses may be completed at UAF and/or another regionally accredited institution and must be letter-graded. Grades of P or CR will not be considered. In considering students for readmission, deans will look for course work taken that relates to the student's intended program.

Students seeking readmission into an occupational endorsement program must have a 2.0 GPA.

Readmission to a degree program is not automatic or guaranteed. The student must reapply and the application must be approved by the dean. The student may apply to the same program from which they were disqualified, or to a different program or level (e.g. baccalaureate, associate or certificate). Readmission may be granted with a status of probation or with other conditions as specified by the dean. It is vitally important for academically disqualified students to work closely with their academic advisor in developing a realistic and timely educational plan.

UAS:

A student who has not been removed from academic probation within two consecutively enrolled semesters or two summer semesters in succession will be removed from the program. Should the suspended student wish to continue to pursue a degree, the student must submit a new application for admission (including supporting documents but not including the application fee).

Re: Revised Placement Scores for WRTG classes

In response to recent and forthcoming revisions to national tests, faculty propose the following changes to UAA's minimum placement scores, effective Fall 2018:

	Accuplacer Next Generation	ACT English	SAT Evidence-Based Reading and Writing
WRTG 090	Writing: 235 Reading: 235	N/A	N/A
WRTG 110	Writing: 250 Reading: 250	18	450
WRTG 111	Writing: 265 Reading: 265	22	560
WRTG 211 WRTG 212 WRTG 213 WRTG 214	N/A	30	610

Additionally, since English placement scores don't expire, UAA should continue to honor our current "Accuplacer Classic" scores. Both sets of Accuplacer scores, new and old, are aligned statewide, per Board of Regents policy.
