RE: Removal of GER status

DATE: October 12, 2018

The GERC requests removal of General Education Requirement status for two courses:

LSSS A111 Cultural Foundations of Human Behavior
LSIC A488A Capstone Project I: Design & Research

These courses are outdated (last updated 2006) and the program has been notified. The program does not plan to offer these courses and does not object to removal of GER status.
