[1] AAS Accounting students <u>must</u> take the ACCT 101 and ACCT 102 sequence.

[2] Students planning to pursue a BBA degree can maximize transferability of their credits by taking **COMM 111** or **241**.

[3] The AAS Written Communication Skills Requirements can be satisfied with WRTG 111, WRTG 211, WRTG 212, WRTG 213, or WRTG 214. Students planning to pursue a BBA degree can maximize transferability of their credits by taking **WRTG 111** and **WRTG 212**.

[4] Students must complete 3 credits from the GER Quantitative list or MATH A105. These requirements will be fulfilled by completing the AAS Accounting program requirements. MATH A113 and A115 are not applicable to this AAS Accounting major requirement.

[5] Students may choose any course at or above the 100 level in Accounting (ACCT), Business Administration (BA), Computer Information Systems (CIS), Computer Information & Office Systems (CIOS), Economics (ECON), Logistics (LGOP), and Global Logistics (LOG), but may not use more than 6 credit hours from one discipline and may not use ACCT A120.

[6] Any 100-400 level course (any subject), not already applied towards the degree.

Students interested in earning Honors in Accounting can view those requirements in the UAA catalog
(https://catalog.uaa.alaska.edu/undergraduateprograms/cbpp/accounting/aas-accounting/).

A minimum of 60 credits is required for this degree, 15 of which must be completed in residence.
The AAS Accounting major requirements must be completed with a grade of C or better.

This is a suggested sequence for taking courses and is not intended to take the place of the program requirements listed in the UAA Catalog.
