

*I am an Engineer. In my profession I take deep pride. To it I owe solemn obligations.*

*As an Engineer, I pledge to practice integrity and fair dealing, tolerance and respect; and to uphold devotion of the standards and the dignity of my profession, conscious always that my skill carries with it the obligation to serve humanity by making the best use of the Earth's precious wealth.*

*As an Engineer, I shall participate in none but honest enterprises. When needed, my skill and knowledge shall be given without reservation for the public good. In the performance of duty and in fidelity to my profession, I shall give my utmost.*

*I am a Computing Professional.*

*My work as a Computing Professional affects people's lives, both now and into the future.*

*As a result, I bear moral and ethical responsibilities to society.*

*As a Computing Professional, I pledge to practice my profession with the highest level of integrity and competence.*

*I shall always use my skills for the public good.*

*I shall be honest about my limitations, continuously seeking to improve my skills through life-long learning.*

*I shall engage only in honorable and upstanding endeavors.*

*By my actions, I pledge to honor my chosen profession.*
