- Responsible for direct supervision of 12 profession staff and indirect oversight of the remaining 40 staff within the Section of Chronic Disease Prevention and Health Promotion.
- Responsible for annual management and budget plan for the Section.
- Member of the Division of Public Health's senior leadership team.
- Responsible for final approval of all publications before they are published.
- Provide consultation to legislators and private and public partners with regard to policy and legislation related to chronic disease prevention and health promotion within the State of Alaska.

4/2003-7/2006

Chronic Disease Epidemiologist

Chronic Disease Prevention and Health Promotion (Unit, then Section), Division of Public Health, AK Dept of Health and Social Services, Supervisors, Jason Eberhart-Phillips, then Tammy Green

- Responsible for oversight of the data and evaluation functions of the Section of Chronic Disease Prevention and Health Promotion.
- Editor of section publications.
- Provide epidemiological support for chronic disease and health promotion programs.
- Provide technical assistance for surveillance and evaluation issues within the section.

9/2002-4/2003

Epidemiologist

Data and Evaluation Unit, Division of Public Health, AK Dept of Health and Social Services, Supervisor, Alice Rarig

- Lead for 'Women and Children Injury Disparities Project'; analyzing, interpreting, and disseminating 20 years of injury mortality data and 10 years of injury hospitalizations data; facilitating Injury Disparities Advisory Group (steering group to project) over a 12-month period.
- Provide epidemiological and data analytic support for several projects, including domestic violence and suicide studies.
- Prepare and present workshops on public health assessment.

1997-2002

Principal Investigator

"Women, Drugs, and Condoms: Ecologies of Risk", National Institute on Drug Abuse Grant # R29 DA10872

- Responsible for overall management of this research project, including study design, data collection (in keeping with human subjects guidelines), data analysis, presentation, manuscript preparation, budget development and oversight, and supervision of up to four Research Assistants per year.

1993-2001

Research Associate and System Manager

"Interventions to Reduce HBV, HCV, & HIV in IDUs", National Institute on Drug Abuse, P.I., Dennis Fisher; "Community Mental Health/Alaska Psychiatric Institute 2000", Substance Abuse Mental Health Services Administration, Co-P.I.'s, Christiane Brems, Mark Johnson (1991-2001); "Alaska, Telemedicine Testbed Project", National Library of Medicine Contract # N01 LM63540, P.I., Fred Pearce (1997-2000); "IVDUs Not in Treatment in Alaska"; P.I., Dennis Fisher, National Institute on Drug Abuse Grant # U01 DA07290 (1993-1996)

- Responsible for data analysis, interpretation, and manuscript and presentation preparation for ongoing grant-related projects.
- Responsible for maintaining Digital server housing entire project's data.

- 1994-1997 **Postdoctoral Fellow**
 “Alcohol Use, Risk-Proneness, and HIV Risk Behavior”, Sponsor, Dennis Fisher, Co-Sponsor, Victor Hesselbrock, Individual National Research Service Award from National Institute on Drug Abuse, Grant # F32 DA05599
- 1991-1993 **Research Assistant**
 Alcohol Beverage Labeling Evaluation Arizona State University, Prevention Intervention Research Center; Supervisor, David MacKinnon
- Responsible for data analysis, interpretation, and manuscript and presentation preparation for ongoing grant-related projects.
- 1989-1991 **Research Assistant**
 Study of Separating Families, Arizona State University, Prevention Intervention Research Center; Supervisor, Sanford Braver
- Responsible for data analysis, interpretation, and manuscript and presentation preparation for ongoing grant-related projects.

Teaching Experience

- 1996-2001 Affiliate Assistant Professor, Psychology Department, University of Alaska Anchorage, Alaska
- 1995-1996 Adjunct Instructor, Psychology Department, University of Alaska Anchorage, Alaska
- 1993-1996 Teaching Assistant, School of Nursing & Health Sciences and Psychology Department, University of Alaska Anchorage, Alaska (courses taught include Health Data Analysis (lecture and computer lab) and Biostatistics for Health Professionals (lecture and computer lab))
- 1988-1989 Teaching Assistant, Psychology Department, Arizona State University, Tempe, Arizona (courses taught include Human Sexual Behavior and Social Psychology)
