BARRIER CRIMES

The Alaska Legislature has developed legislation (7AAC 10.900-7 AAC 10.990) regarding Barrier Crimes that can prevent people from working in certain areas of Human Services based on section 1128(a) of the Social Security Act (42 U.S.C. 1320- a-7). This includes selected crimes that will result in lifetime barriers to employment, while other exclude working in the field for a range from 1 year to 10 years. Some of these offenses relate to convictions for crimes that occurred after the enactment (August 21, 1996) of the Federal Health Insurance Portability and Accountability Act of 1996.

All barrier crimes do not prevent people from being employed in Human Services forever. An agency that wants to hire an individual despite their criminal background may request a variance from the State. Barrier crimes do not apply to all Human Service agencies, but to all those that bill Medicaid/Medicare, receive federal money, or who are licensed/certified to operate in Alaska. Below are the categories of crimes that could constitute a barrier employment. For a full list of crimes see 7AAC 10.905.

Permanent Barrier:

Attempt, Solicitation, and Conspiracy

5 years to Permanent:

Offense Against a Person
Offenses Against Public Health and Decency

5 Years to 10 Years:

Controlled Substances

3 years to Permanent:

Offenses Against Family and Vulnerable Adults

1 Year to Permanent:

Offenses Against Public Administration
Offenses Against Public Order

If you have been convicted for crimes in any of the categories above, you can go to the State of Alaska Health and Social Services website to see if your conviction could constitute a barrier to future employment at:
