

**Utah Day 3 Schedule**  
**2023 Summer Institute on Substance Use, Ethics, and Culture**

**June 3, 2023 11:00 am to 2:30 pm**  
***Consequences of Ethical Gaps: Provider Competence, & Client Protection***  
***Special Ethics Webinar (3 CEUs)***

This half day program includes a panel discussion on the many pitfalls that occur as a result of gaps in knowledge & practice. The panelists, from social work and psychology, will discuss ethical issues that arise when ethical codes are violated and potential risks are not managed. The panelists will discuss actual claims that have resulted from poor decisions in clinical practice. Strategies that result in protection for both clients and clinicians will be recommended.
