

**PHLEBOTOMY OR LABORATORY EXPERIENCE VERIFICATION**

In order to receive additional points for phlebotomy or laboratory experience in the selection process, candidates must demonstrate one or more of the following: current phlebotomy experience or documentation of laboratory experience.

**Please check all that apply:**

- I completed the UAA Phlebotomy Program  
Semester and Year of Completion: \_\_\_\_\_
- I am currently a certified phlebotomist
- I am currently working in a medical laboratory
- I have worked in a medical laboratory within the last 5 years

*If you completed the UAA Phlebotomy program, the department will verify completion through your UAA transcripts.*

*If you have graduated from an accredited phlebotomy program, please upload a copy of your diploma or unofficial transcript.*

*If you are currently ASCP certified, please upload a copy of the certification.*

We require that a laboratory or office manager from your current or previous place of employment complete the following documentation in order to verify work experience.

Employer Name	Your Title	Position Dates	Hours Per Week
