

Use these questions to facilitate a discussion with staff on the eLearning module **Conditions for Return: Deciding When a Child Can Safely Return Home.**

1. What does using the *Least Intrusive, Least Restrictive* intervention with families look like?
2. How would you explain to a parent what needs to happen in order to transition from an out-of-home safety plan to an in-home safety plan?
3. Discuss the difference between compliance on the case plan activities and demonstrated behavior change in a parent.
4. What have you been doing that has been reinforced by this eLearning module? What will you begin doing as a result of this eLearning module?
5. Discuss a case that is on track for a trial home visit and what needs to be done to get there.
