&
Della Keats Summer Research

2018

Della Keats Health Sciences Summer Program and Della Keats Summer Research Program For High School Students

2018 Della Keats
Health Sciences

Program Dates

July 15 -August 10, 2018

Application Deadline:

Monday April 30, 2018

Della Keats Health Sciences Summer Program

Interested in a HEALTHCARE CAREER?
This program is for YOU!

- Learn about careers in health sciences by job-shadowing physicians and other healthcare providers, listening to guest presentations, and taking tours of medically-related facilities.
- Take short courses in anatomy & physiology, microbiology, biomedical ethics, written and oral communication, public health, and the Simulation Lab.
- Learn how to use computers and other technology.
- Complete a multi-disciplinary research project relevant to public health in Alaska.
- Spend four weeks living on the UAA campus, gaining knowledge and skills that will help you make a successful transition from high school to college.

For eligibility requirements and application instructions, go to:

<https://www.uaa.alaska.edu/academics/college-of-health/departments/wwami/future-students/high-school-students/index.cshhtml>

Della Keats Summer Research Program

Do you want to become a PHYSICIAN or a
BIOMEDICAL RESEARCHER?
Jump-start your career in the
Della Keats Summer Research Program!

Students who have already completed the Della Keats Health Sciences Summer Program or a similar program on another campus can apply to join the Della Keats program for a second summer as a research intern.

Research students:

- Spend four weeks living on the University of Alaska Anchorage campus together with the other Della Keats Students
- Design, complete, analyze and present an independent biomedical research project under the mentorship of a UAA research scientist.
