Re: Use of IDEA Student Evaluation of Teaching

A handwritten signature in blue ink, appearing to read 'Michael A. Driscoll', is written over the 'From:' line of the memo header.

As has been stated by myself and Faculty Senate President Bogdan Hoanca, faculty have an individual choice of whether to use Fall 2007 results from the IDEA Student Evaluation of Teaching instrument in their annual, promotion, tenure, and post-tenure review files. This choice is provided to ease the transition from the SDIS instruction to the IDEA instrument.

This memo provides official documentation and may be included in review files.
