

REQUEST FOR COMMENCEMENT & HOODING CEREMONY WALK-THROUGH

This form must be received in the Graduate School no later than April 15 for spring ceremonies and December 1 for fall ceremonies.

Name	SID
Email	Phone number (with area code)
Degree (PhD, MA, MS, etc.)	Program (Social Work, Anthropology, etc)

By signing below you are agreeing that:

- The student will complete all clinical internship requirements by July 31 for spring ceremonies; OR
- If the student named above successfully completes all required tests, course work, and thesis/dissertation or project defense that the Report of Thesis or Project Defense form (with a PASS, not Conditional Pass) is submitted to the Graduate School by the Monday before commencement and hooding;
- If the student can make all required revisions to the project/thesis/dissertation by **July 31** for spring ceremonies or **March 1** for fall ceremonies, you will be available to review the final document before the specified date; and
- If submitting a project/thesis/dissertation, the student must submit the final copy to the Graduate School by **July 31** for summer graduation and **March 1** for Spring graduation; and
- If the student is a doctoral candidate, the dissertation chair or designated committee member must also agree to participate in the hooding and commencement ceremonies (please identify below if different from the chair);

Then I support the above named student as a “walk-through” candidate in commencement and hooding ceremonies.

NOTE: Individuals who “walk-through” graduation ceremonies are NOT listed in the commencement program. The names of thesis students (and if doctoral recipients, descriptions of dissertation research) will appear in the commencement program of the academic semester in which the degree is formally granted
