2021–2022 Student Injury and Sickness Insurance Plan for University of Alaska Anchorage

Who is eligible to enroll?

All students who are enrolled in a UAA or UAS graduate program and are receiving Research, Teaching, and/or Service Assistantships and/or Graduate Fellowships must be enrolled in this insurance plan on a mandatory basis. Graduate students, such as WWAMI students are also eligible to be enrolled in this insurance plan. For GA’s and Fellows, the premium is paid by the University on behalf of the student. WWAMI students are billed for their premiums. Plan enrollment is not automatic. UAA or UAS graduate students must contact the UAA Graduate School and complete the Assistant/Fellowship enrollment form to finalize their enrollment process. WWAMI students have a separate enrollment form.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse or Domestic Partner and dependent children under 26 years of age. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 45 days after the date for which coverage is purchased. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service. Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Insured students and their covered Dependents ages 18 and over. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a $55 service fee before being connected to a board-certified physician.
