

REPORT OF THE OUTSIDE EXAMINER

Student:

Program:

Type of Examination: PhD Dissertation Defense

Date:

Time:

Location:

How would you rate this examination's rigor and difficulty in terms of (1) recent examination of the same sort in which you have participated as either a committee member or outside examiner, and (2) similar examinations given in your program?

If the examination was a dissertation defense, (1) when did you receive the dissertation? (2) In your judgment, will the dissertation as presented require substantial modifications? (3) Would you like the opportunity to review the final dissertation?

In your judgment, were the student's communication skills adequate? What was lacking?

Judging from this examination, are you comfortable with the academic standards set and maintained by this student's program?
