- 1) Roll Call and Approval of Agenda/Approval of Minutes
- 2) Remarks/Report from Chair Gloria Eldridge
- 3) New Business
 - a. Report from Graduate Faculty workgroup and discussion of proposed Graduate Faculty policies and procedures
 - b. Thesis issues (Elisa Mattison)
 - Removing the Signature Page as part of uploading the document into ETD. The Signature Page can be kept as an internal document and stored in OnBase. More Graduate Schools are uncomfortable with having faculty signatures in the database.
 - Most documents submitted these days to electronic databases have a one inch margin on all sides. This is a "greener" approach to margins and publishing. Marlene is going to check to see if a printed copy looks "funny" with the 1" margins instead of traditional margins. Since the Consortium Library no longer required printed copies, UAA could go this route.
- 4) Old Business:
- 5) Reports:

- a. Associate Dean's Report (David Yesner)
- b. Director's Report (Elisa Mattison)
- c. Registrar's Report (Lora Volden)
- d. GSA Report (TBA)
