Courses that incorporate domestic violence material:

SWK A490-301 Social Work and Domestic Violence
- “Introduces topics relevant to domestic violence through an ecosystems approach. Defines domestic violence, reviews societal and historical factors in domestic violence, and identifies prevention and intervention in domestic violence. Special topics will include teen dating violence, violence in gay and lesbian relationships, acquaintance rape, elder abuse, abuse of women who experience disabilities, and effects of domestic violence on children.”
- 1.000 Credit hour
- Taught in the Summer
- 10-15 students per class
  - Registration Restrictions: Junior or Senior level standing

SOC A110 Introduction to Gerontology: Multidisciplinary Approach
- “A multidisciplinary course that provides an introduction to gerontology. Covers many aspects of aging including those associated with biology, physiology, medical care, psychology, culture, sociology, and social policies.”
- 3.000 Credit hours
- Taught in the Fall semester
- 20-30 students per class
  - UAA GER Social Sciences Requirement
Covers elder abuse in family and institutional contexts and students may research elder abuse as course project. Students are primarily involved with domestic violence through literature reviews of library research

SOC A310 Sociology of aging
- “A comparative analysis of the social status and role of the aging in various societies with emphasis on problems of aging in contemporary U.S.”
  - This is a distance-delivered class that was designed to be taken entirely using the web.
- 3.000 Credit hours
- Taught in Spring and Summer semesters
- 20-30 students per class
  - Prerequisites: SOC A101 Introduction to Sociology or SOC A110 Introduction to Gerontology: Multidisciplinary Approach
  - Registration Restrictions: SOC A110 for Gerontology Minors
Covers elder abuse in family and institutional contexts and students may research elder abuse as a course project.

**LSSS A312- Individuals, Groups, and Institutions**
- “The study of how individuals influence and are influenced by groups and institutions. Emphasis on individuals' roles in group and institutional activities, group and institutional influence on people's lives, and dynamics in the formation and change of institutions.”
  - Course conducted via eLive and Blackboard. Students will need regular access to a computer with Internet, speakers and a microphone.
- 3.000 Credit hours
  - UAA GER Integrative Capstone
  - Prerequisites: ANTH A250- The Rise of Civilization or concurrent enrollment and LSSS A111- Cultural Foundations of Human Behavior
  - Registration Restrictions: Completion of GER Tier 1 (basic college-level skills) courses.

*Practicum courses in Sociology, Social Work, Human Services, and Psychology provide students with an opportunity to do field work with domestic violence agencies as desired.*

**SOC A487 - Sociology Practicum**
- “Student participates in field research project and/or community action/agency program that applies sociological training toward the amelioration of specific social problems. Student will attend a seminar, class, or individual meeting with the faculty member on a weekly basis and complete six hours in the field on an approved project or program. All students will be expected to participate in the design of the practicum, and to complete a term paper or progress report.”
- 3.000 Credit hours
  - 1.000 Lecture hours
  - 6.000 Lab hours
    - Registration Restrictions: Faculty permission.
    - Special Note: May be repeated once for credit.

**HUMS A295A - Human Services Practicum I**
- “Students placed in a community Human Services agency will examine agency structure and functioning, professional relationships, and interagency networks to apply their knowledge of entry level helping skills with agency clientele while participating in a weekly class seminar to facilitate the integration of human service knowledge and theory with practical field application.”
HUMS A295B - Human Services Practicum II

- “Emphasizes increasing responsibilities for providing direct client services. Students will access problems and plan interventions within the placement agency, while participating in a weekly class seminar structured to facilitate the integration of human service knowledge and theory with practical field application.”

HUMS A495A – Human Services Practicum III

- “Placement in an agency will provide students with advancing levels of responsibility in direct client services and/or specialized activities/projects while increasing their professional development. Weekly concurrent classroom seminars required.

HUMS A495B - Human Services Practicum IV

- “This is the Integrative Capstone course for the Bachelor's of Human Services degree. The course builds and expands upon material presented in Human Services Practica I-III using theoretical frameworks from other required Human Service coursework. Students gain increasing levels of responsibility in the provision of direct client services in community-based settings.”
SWK A495A - Social Work Practicum I
- “Initial social work practicum/field placement in which knowledge, skills, values, and ethics of generalist social work are applied to client-centered planned change. Emphasis is on application of generalist practice skills in the areas of interviewing, assessment, and planning for client system intervention.”
- 6.000 Credit hours
  3.000 Lecture hours
  15.000 Lab hours
- Offered in Fall semester
  - Registration Restrictions: Admission to the BSW program at the University of Alaska Anchorage.
  - Corequisites: SWK A430
  - Prerequisites: SWK A331

SWK A495B - Social Work Practicum II
- “Continuation of social work practicum/field placement in which knowledge, skills, values, and ethics of generalist social work are applied to client-centered planned change. Emphasis is on application of generalist practice skills in the areas of planning, implementing, evaluating, and terminating client system intervention. Application of social work roles and readiness for entry into the profession are key objectives.”
- 6.000 Credit hours
  3.000 Lecture hours
  15.000 Lab hours
- Offered Spring semester
  - Registration Restrictions: Admission to the BSW program at the University of Alaska Anchorage.
  - Corequisites: SWK A431
  - Prerequisites: SWK A430 and SWK A495A

SWK A644 - Generalist Practicum I
- “Part one of generalist practicum sequence. Student applies social work knowledge, skills, values, and ethics within an organization and/or community context. The student completes 240 practicum hours in an approved setting under the supervision of a MSW field instructor appointed by the University.”
- 3.000 Credit hours
  3.000 Lecture hours
  16.000 Lab hours
- Offered Fall semester
- Levels: Graduate – UAA
  - Registration Restrictions: Admission to the MSW Program at the University of Alaska Anchorage with concurrent enrollment in a MSW practice course.
SWK A645 - Generalist Practicum II
- “Part two of generalist practicum sequence. Student applies social work knowledge, skills, values, and ethics within an organization and/or community context. The student completes 240 practicum hours in an approved setting under the supervision of a MSW field instructor appointed by the University.”
- 3.000 Credit hours
  3.000 Lecture hours
  16.000 Lab hours
- Levels: Graduate – UAA
- Offered Spring semester
  - Registration Restrictions: Admission to the MSW Program at the University of Alaska Anchorage with concurrent enrollment in a MSW practice course.
  - Corequisites: SWK A636
  - Prerequisites: SWK A644

SWK A646 - Advanced Generalist Practicum I
- “Part one of advanced generalist practicum sequence in which student performs as an advanced generalist social worker within an organization and/or community context. The student completes 240 practicum hours in an approved setting under the supervision of a MSW field instructor.”
- 3.000 Credit hours
  3.000 Lecture hours
  16.000 Lab hours
- Offered Fall semester
- Levels: Graduate - UAA
  - Registration Restrictions: Admission to the MSW Program at the University of Alaska Anchorage with concurrent enrollment in a MSW practice course.
  - Prerequisites: SWK A633 or concurrent enrollment or SWK A634 or concurrent enrollment

SWK A647 - Advanced Generalist Practicum II
- “Part two of advanced generalist practicum sequence in which student performs as an advanced generalist social worker within an organization and/or community context. The student completes 300 practicum hours in an approved setting under the supervision of a field instructor.”
- 4.000 Credit hours
  4.000 Lecture hours
  20.000 Lab hours
- Offered Spring semester
- Levels: Graduate – UAA
- Registration Restrictions: Admission to the MSW Program at the University of Alaska Anchorage with concurrent enrollment in an MSW practice course.
- Corequisites: SWK A635
- Prerequisites: SWK A646

**SWK A698 - MSW Research Project**

- “Students complete an applied research project of use to a social service program and/or the profession. Completion of the project, including statement of the problem, literature review, design methodology, data analysis, and implications of the findings. Public presentation of the project culminates in the research sequence.”
- 3.000 Credit hours
  - 1.000 Lecture hours
  - 9.000 Lab hours
- Levels: Graduate – UAA
  - Registration Restrictions: Admission to the MSW Program at the University of Alaska Anchorage.
  - Prerequisites: SWK A628

This class will be required to meet 0900am to 0500pm, Friday and Saturday, January 8 and 9, 2010 in UC 143.

**PSY A327 Field Experience in Psychology I**

- “Arranged placement in supervised settings that provide psychological services. Focus on values, agency operations, and skills required to provide services and interventions. Students are expected to complete 90 hours of supervised experience.”
- 3.000 Credit hours
  - 1.000 Lecture hours
  - 6.000 Lab hours
- 12-15 students per class
- Class offered in Fall and Spring semesters
  - Registration Restrictions: Instructor permission and completion of 6 additional credits in Psychology beyond PSY A111.
  - Prerequisites: PSY A111

Students are expected to complete 90 hours of supervised experience outside the classroom, which can be involved with domestic violence issues. Class meets 1.5 hours per week. One class period is dedicated to educating students of domestic violence as it is related to people with disabilities – what it is, what its signs are, etc.

**PSY A427 Field Experience in Psychology II**
“Arranged placement in supervised settings that provide psychological services. Focus on policy, communication skills, intervention skills, assessment, service planning, and evaluation. Students are expected to complete 90 hours of supervised experience.”

- 3.000 Credit hours
  - 1.000 Lecture hours
  - 6.000 Lab hours
- 12-15 students per class
- Class offered in Fall and Spring semesters
  - Registration Restrictions: Instructor permission.
  - Prerequisites: PSY A327
- Special Note: Meets the departmental capstone requirements for the psychology major.

Students are expected to complete 90 hours of supervised experience outside the classroom, which can be involved with domestic violence issues.

Class meets 1.5 hours per week.

One class period is dedicated to educating students of domestic violence as it is related to people with disabilities – what it is, what its signs are, etc.
