

**Addendum II to the Agreement Between
The University of Alaska Anchorage, Anchorage, Alaska, USA
and
Jilin University of Finance and Economics, Changchun, Jilin, P.R. China**

Program

JUFE students will be eligible to apply for admission to UAA and to pursue the Bachelor of Arts in Economics baccalaureate program in UAA's College of Business and Public Policy. Specific coursework completed at JUFE will articulate in to UAA, as per Addendum I of this agreement. Students will then complete additional coursework at UAA.

The requirements for the degree are posted in the UAA Catalog, currently available at <https://catalog.uaa.alaska.edu/undergraduateprograms/cbpp/economics/ba-economics/>.

UAA Requirements

Program requirements and courses are subject to change each academic year and students must follow the requirements for the year in which they are admitted to UAA.

Before enrolling for any semester, JUFE students are required to meet with a CBPP student advisor to ensure they meet prerequisites and they enroll in the appropriate classes.

Students must also:

- Satisfy the General University Requirements for Baccalaureate Degrees.
- Complete the General Education Requirements (GER) for Baccalaureate Degrees.
- Complete the major requirements. Below is an outline for the remaining BA Economics program requirements that JUFE students will need to complete at UAA, per the 2017-2018 UAA Catalog which is available online.
